## **The Old Home Place:**

The Old Home Place Alvin H. 'Al' Terrell, 2012-09 America home of the brave and the free This is a well deserved description of America but it hardly describes the complexity of our great nation Describing America would be like describing a large moving picture that is constantly changing Each of its many components is different than all the others To understand America one would have to understand every individual in every culture in every community To leave out any piece of the big picture would distort America s image and deny the opportunity to know America itself This book gives the reader a piece of the big picture that represents a bygone era As a nation we have made a lot of progress over the years and we can be proud of our accomplishments but we should remember our roots are the foundation of our success Go back in time with the author to relive the old stories just as they happened in the 1940s 1950s and 1960s in rural Arkansas Experience the humor nostalgia and the tragedy of a bygone era Each reader will experience something different but will come away enlightened having enjoyed these glimpses of a simpler time

Back to the Old Home Place Johnny Napier, 2009-12-03 This story takes place in the mountains of Eastern Kentucky A man name George moved back to Kentucky after being gone for about twenty years But when he came back he had three kids with him And those kids didn t know any thing about being in the mountains because they had never been here before As far as that goes they had never been to any mountains before But they was about to find out what it was really like to be country kids for the first time in their lives George came back and found them a house and it needed some work on it so he decided to fix it up and the kids were going to help him His oldest boy was Charlie and he was ten years old and he had two girls Mary and Martha Now Mary she wasn t too bad for getting into things which she was only eight year old But now Martha she was something else she was seven years old and got into anything she could she makes poor old George a nervous wreck some time because he never knows where she is at He depends on Charlie to help him out a lot with Martha because he has to work around the house trying to get it fixed up for them to live in Charlie helps him as much as he can But since he is only ten years old he can only do so much but he does a good job watching her as much as he can And believe me she is a hand full some time Georges wife got killed in a car wreck a couple years before they came back home So George was trying to get the kids and him self back in order because they had all kinds of memories their and he had to get away from that place It was driving him nuts and he needed a change in things so he thought he would just bring the kids back home where he came from and that place was Harlan county Kentucky
