## **The Opium War Through Chinese Eyes:**

**The Opium War Through Chinese Eyes** The Arthur Waley Estate, Arthur Waley, 2013-11-05 First published in 1958 This volume translates and places in the appropriate historical context a number of private documents such as diaries autobiographies and confessions which explain what the Opium War felt like on the Chinese side **The Opium War Through Chinese Eyes** Arthur D Waley, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Opium War Through Chinese Eyes* Jean Edades, 1958 [A History of the Modern Chinese Navy, 1840-2020](#) Bruce A. Elleman, 2021-05-09 This book provides a comprehensive history of the modern Chinese navy from 1840 to the present Beginning with a survey of naval developments in earlier imperial times the book goes on to show how China has since the mid 19th century four times built or rebuilt its navy after the Opium Wars a navy which was sunk or captured by the Japanese in the war of 1894 1895 during the 1920s and 1930s a navy again sunk or lost to Japan in the war of 1937 1945 in the 1950s a navy built with Soviet help which stagnated following the Sino Soviet split in the early 1960s and finally the present navy which absorbed its predecessor but with the most modern sections dating from the 1990s a navy which continues to grow and prosper The book also shows how the underlying strategic imperative for the Chinese navy has been the defense of China's coasts and major rivers how naval mutiny was a key factor in the overthrow of the Qing and the Nationalist regimes and how successive Chinese governments aware of the potent threat of naval mutiny have restricted the growth independence and capabilities of the navy Overall the book provides at a time when many people in the West view China and its navy as a threat a rich detailed and realistic assessment of the true nature of the Chinese navy and the contemporary factors that affect its development [China from the Opium Wars to the 1911 Revolution](#) Jean Chesneaux, Marianne Bastid, Marie-Claire Bergère, 1977 *Pirate Imperialism* Manuel Barcia, 2026-01-13 This first truly global history of the suppression of piracy links maritime raiding to empire building in the nineteenth century In the middle decades of the nineteenth century imperial powers around the world came into direct confrontation with local resistance in the form of maritime raiding From the Atlantic basin to the western Mediterranean Sea the Persian Gulf and the east coast of Africa and Southeast Asia and China imperial powers claimed that progress was being held back by the barbarity and greed of pirates who repeatedly attacked imperial vessels The suppression of piracy justified under the banner of spreading

civilization and free trade and abolishing slavery and the slave trade provided both western and non western powers with a back door for territorial expansion and the enforcement of imperialist agendas Historian Manuel Barcia tells the story of these conflicts showing how imperialist powers frequently used anti maritime raiding efforts as excuses to cement western supremacy in various parts of the world while simultaneously resorting to violent means that were indistinguishable from the methods of those they accused of being pirates *London Through Chinese Eyes* Min-ch'ien Tuk Zung Tyau, Min-ch'ien Tuk Zung Tyau, 1920

**Opium Wars** W. Travis Hanes III, Frank Sanello, 2004-02-01 In this tragic and powerful story the two Opium Wars of 1839 1842 and 1856 1860 between Britain and China are recounted for the first time through the eyes of the Chinese as well as the Imperial West Opium entered China during the Middle Ages when Arab traders brought it into China for medicinal purposes As it took hold as a recreational drug opium wrought havoc on Chinese society By the early nineteenth century 90 percent of the Emperor's court and the majority of the army were opium addicts Britain was also a nation addicted to tea grown in China and paid for with profits made from the opium trade When China tried to ban the use of the drug and bar its Western smugglers from its gates England decided to fight to keep open China's ports for its importation England the superpower of its time managed to do so in two wars resulting in a drug induced devastation of the Chinese people that would last 150 years In this page turning dramatic and colorful history The Opium Wars responds to past biased Western accounts by representing the neglected Chinese version of the story and showing how the wars stand as one of the monumental clashes between the cultures of East and West A fine popular account Publishers Weekly Their account of the causes military campaigns and tragic effects of these wars is absorbing frequently macabre and deeply unsettling

Booklist **History** Albert Frederick Pollard, Harold Felix Baker Wheeler, 1962 [Term Paper Resource Guide to Nineteenth-Century World History](#) William T.
