JOSHUA COHEN

The Oppermanns A Novel

Ian Pickup

The Oppermanns A Novel:

The Oppermanns Lion Feuchtwanger, 2022-10-18 Gustav Oppermann who runs a chain of furniture stores and the other members of his Jewish family face the terrifying rise of Nazism in Germany The Oppermanns Lion Feuchtwanger, 2001-04-12 Extraordinary No single historical or fictional work has more tellingly or insightfully depicted the insidious manner in which Nazism began to permeate the fabric of German society than Lion Feuchtwanger's great novel New York Times First published in 1934 but fully imagining the future of Germany over the ensuing years The Oppermanns tells the compelling story of a remarkable German Jewish family confronted by Hitler's rise to power Compared to works by Voltaire and Zola on its original publication this prescient novel strives to awaken an often unsuspecting sometimes politically naive or else willfully blind world to the consequences of its stance in the face of national events in this case the rising tide of Nazism in 1930s Germany The past and future meet in the saga of the Oppermanns for three generations a family commercially well established in Berlin In assimilated citizens like them the emancipated Jew in Germany has become a fact In a Berlin inhabited by troops in brown shirts however the Oppermanns have more to fear than an alien discomfort For along with the swastikas and fascist salutes come discrimination deceit betrayal and a tragedy that history has proved to be as true as this novel's astonishing profoundly moving tale **The History of German Literature on Film** Christiane Schönfeld, 2023-06-15 A 2024 CHOICE OUTSTANDING ACADEMIC TITLE This book tells the story of German language literature on film beginning with pioneering motion picture adaptations of Faust in 1897 and early debates focused on high art as mass culture It explores analyzes and contextualizes the so called golden age of silent cinema in the 1920s the impact of sound on adaptation practices the abuse of literary heritage by Nazi filmmakers and traces the role of German language literature in exile and postwar films across ideological boundaries in divided Germany in New German Cinema and in remakes and movies for cinema as well as television and streaming services in the 21st century Having provided the narrative core to thousands of films since the late 19th century many of German cinema's most influential masterpieces were inspired by canonical texts popular plays and even children's literature Not being restricted to German adaptations however this book also traces the role of literature originally written in German in international film productions which sheds light on the interrelation between cinema and key historical events It outlines how processes of adaptation are shaped by global catastrophes and the emergence of nations by materialist conditions liberal economies and capitalist imperatives political agendas the mobility of individuals and sometimes by the desire to create reflective surfaces and perhaps even art Commercial cinema's adaptation practices have foregrounded economic interest but numerous filmmakers throughout cinema history have turned to German language literature not simply to entertain but as a creative contribution to the public sphere marking adaptation practice at least potentially as a form of active citizenship Nazi Characters in German Propaganda and Literature Dagmar C. G. Lorenz, 2018-06-19 Winner of the 2019 Choice Outstanding Academic Title

Stereotypical characters that promoted the Nazi worldview were repurposed by antifascist authors in Weimar Germany argues Dagmar C G Lorenz This is the first book to trace Nazi characters through the German and Austrian literature Until the defeat of the Third Reich pro Nazi literature was widely distributed However after the war Nazi publications were suppressed or even banned and new writers began to dominate the market alongside exile and resistance authors The fact that Nazi figures remained consistent suggests that rather than representing real people they functioned as ideological signifiers Recent literature and films set in the Nazi era show that the Nazis ambiguous characters with a sinister appeal live on as an established trope in the cultural imagination **The Oppermanns** Lion Feuchtwanger,1933 **Lion**

Feuchtwanger: Reviews and critical literature about individual works John M. Spalek,Sandra H. Hawrylchak,1998

Shedding Light on the Darkness Nancy Ann Lauckner,Miriam Jokiniemi,2000 Increasingly German Studies programs include courses on the Holocaust but suitable course materials are often difficult to find Teachers in higher education will therefore very much welcome this volume that examines and reflects both the practical and theoretical aspects of teaching about the Holocaust Though designed primarily by and for North American Germanists and German Studies specialists this book will prove no less useful for teachers in other countries and associated disciplines It presents and describes successful Holocaust related courses that have been developed and taught at U S and Canadian colleges and universities demonstrating the depth breadth and variety of such offerings while remaining mindful of the instructor s special moral responsibilities Reflecting as it does the innovative Holocaust pedagogy in North American German and German Studies this collection serves the needs of educators who wish to revise or update their existing Holocaust courses and of those who are seeking guidance ideas and resources to enable them to develop their first Holocaust course or unit **Lion Feuchtwanger** John M.

Spalek,Sandra H. Hawrylchak,1998 No detailed description available for Translations Short Publications Adaptations and Productions Bloch's Book Bulletin ,1933 **Die Geschwister Oppenheim. The Oppermanns. A Novel. (Translated by James Cleugh.).** Lion Feuchtwanger,James Cleugh,1933 *The New York Times Book Review* ,1934 *German Fiction Writers, 1885-1913* James N. Hardin,1988 Soviet Literature ,1984 **Jewish Book Annual** Solomon Grayzel,1983

New York Herald Tribune Books ,1934 **Against the Eternal Yesterday** Lion Feuchtwanger,2009 **Scribner's Magazine** Edward Livermore Burlingame,Robert Bridges,Alfred Sheppard Dashiell,Harlan Logan,1937 *World Authors, 1900-1950* ,1996 Provides almost 2700 articles on twentieth century authors from all over the world who wrote in English or whose works are available in English translation Saturday Review of Literature ,1943 **American Studies International** ,1997
