*The Ordeal of Otto Otepka. (Sixth Printing.).* William J. GILL (of Washington, D.C.),1970      *The Ordeal of Otto Otepka* William J. Gill,1970      **The Ordeal of Otto Otepka** William J. Gill,1969 As great battles are often fought on little known fields so do great events often focus in the lives of little known men Otto Otepka was one such man He stood at a crossroad of history In recounting his ordeal William J Gill plumbs dark secrets behind the agony of a whole nation Exhaustively developed from original sources many of them unpublished or deliberately hidden from public view here is the sensational record of blundering deceit ruthlessness and possibly distorted loyalty reaching into the high councils of the Kennedy Johnson administrations a record that in less than a decade has left America weakened before her enemies Jacket flap      **A Farewell to Justice** Joan Mellen,2013-09-01 Working with thousands of previously unreleased documents and drawing on more than one thousand interviews with many witnesses speaking out for the first time Joan Mellen revisits the investigation of New Orleans district attorney Jim Garrison the only public official to have indicted in 1969 a suspect in President John F Kennedy s murder Garrison began by exposing the contradictions in the Warren Report which concluded that Lee Harvey Oswald was an unstable pro Castro Marxist who acted alone in killing Kennedy A Farewell to Justice reveals that Oswald no Marxist was in fact working with both the FBI and the CIA as well as with US Customs and that the attempts to sabotage Garrison s investigation reached the highest levels of the US government Garrison s suspects included CIA sponsored soldiers of fortune enlisted in assassination attempts against Fidel Castro an anti Castro Cuban asset and a young runner for the conspirators interviewed here for the first time by the author Building upon Garrison s effort Mellen uncovers decisive new evidence and clearly establishes the intelligence agencies roles in both a president s assassination and its cover up In this revised edition to be published in time for the fiftieth anniversary of the president s assassination the author reveals new sources and recently uncovered documents confirming in greater detail just how involved the CIA was in the events of November 22 1963 More than one hundred new pages add critical evidence and information into one of the most significant events in human history      *Constitutional Conflicts Between Congress and the President* Louis Fisher,2007 A classic on the separation of powers this book dissects the crucial constitutional disputes between the executive and legislative branches from the Constitutional Convention to the present day New material includes military tribunals and NSA eavesdropping disputes over executive orders state secrets privilege and post 9 11 wars in Afghanistan and Iraq      The Three Barons James W Lateer,2017-11-16 The Three Barons proves that it is possible with enough research to reconstruct the organizational chart of the JFK plot This book provides the first useful in depth analysis of the 120 phone calls by LBJ in the week following the assassination regarding such items as the Civil Rights Act demands made by the military and similar political power plays The Three Barons presents the first use of statistical factor analysis to identify the plotters using a database of 30 books and 1500 names and examines the military officers allegedly close to the plot such as NATO Commander Gen Lyman Lemnitzer

General Lauris Norstad and JFK's advisor Gen Maxwell Taylor For the first time the National Security Council its structure and its members are scrutinized for their obvious role in the JFK plot More specifically The Three Barons explains the role of Treasury Secretary C Douglas Dillon and his father investment banker Clarence Dillon who likely had fascist sympathies This book identifies for the first time why there were three actual barons involved in the plot and why at least three members of the Warren Commission had powerful Nazi connections beginning in WWII and continuing through November 22 1963
