little attention among translation scholars either they are let aside as almost ungraspable categories astride editing and translating mixing in most variable ways authors genres languages or cultures or are taken as convenient but rather meaningless groupings of single translations This volume takes a new stand makes a plea to consider translation anthologies and collections at face value and offers an extensive discussion about the more salient aspects of translation anthologies and collections their complex discursive properties their manifold roles in canonization processes and in strategies of cultural censorship It brings together translation scholars with different backgrounds both theoretical and historical and covering a wide array of European cultural areas and linguistic traditions Of special interest for translation theoreticians and historians as well as for scholars in literary and cultural studies comparative literature and transfer studies *Chicorel Theater Index to Plays in Anthologies, Periodicals, Discs, and Tapes* Marietta Chicorel,1971 *The Longman Anthology of British Literature* ,2010 **Chicorel Index to Poetry in Anthologies and Collections in Print** Marietta Chicorel,1975

Chicorel Index to Poetry in Anthologies and Collections in Print: A-Ex Marietta Chicorel,1974 **The Greek Poet Cavafy and History** Panos Karagiorgos,2016-08-17 This book presents a survey and evaluation of Cavafy s poetical work with an emphasis on his historical and didactic poems The poet prefers to describe events while they are still in progress We the readers know from History that the game is lost and we feel like wise men hearing the mystic sound of the approaching events We see the future of that era which is the past of our era For the first time the relation of Cavafy s poetics to Aristotle s Poetics is examined Some of Cavafy s techniques including the use of details and of an intervening narrator are also discussed in detail showing that through such devices he succeeds in taking the reader back to the living past The basic motifs of Cavafy s poetry are also systematically analysed under the light of his proclaimed manner of revisiting the same areas by completing illuminating or revealing the oppositions of the initial form In addition new translations of Cavafy s most well known poems including Thermopylae Ithaca Expecting the Barbarians Voices Desires Walls and The City are appended to this volume
