## **The Other David:**

*The Other Within* Yirmiyahu Yovel, 2018-06-05 The Marranos were former Jews forced to convert to Christianity in Spain and Portugal and their later descendants. Despite economic and some political advancement these Conversos suffered social stigma and were persecuted by the Inquisition. In this unconventional history Yirmiyahu Yovel tells their fascinating story and reflects on what it means for modern forms of identity. He describes the Marranos as the Other within people who both did and did not belong. Rejected by most Jews as renegades and by most veteran Christians as Jews with impure blood, Marranos had no definite integral identity. Yovel argues The Judaizers Marranos who wished to remain secretly Jewish were not actually Jews and those Marranos who wished to assimilate were not truly integrated as Hispano Catholics. Rather, mixing Jewish and Christian symbols and life patterns, Marranos were typically distinguished by a split identity. They also discovered the subjective mind engaged in social and religious dissent and demonstrated early signs of secularity and this worldliness. In these ways Yovel says the Marranos anticipated and possibly helped create many central features of modern Western and Jewish experience. One of Yovel's philosophical conclusions is that split identity, which the Inquisition persecuted and modern nationalism considers illicit, is a genuine and inevitable shape of human existence, one that deserves recognition as a basic human freedom. Drawing on historical studies, Inquisition records and contemporary poems, novels, treatises and other writings, this engaging critical history of the Marrano experience is also a profound meditation on dual identities and the birth of modernity.

**Eerdmans Commentary on the Bible: Ezra and Nehemiah** Lester L. Grabbe, 2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Grabbe's introduction to and concise commentary on Ezra and Nehemiah. The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha. Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars, students and general readers. Rather than attempt a verse by verse analysis, these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story. Commentators focus on the genre of each text: parable, prophetic oracle, legal code and so on, interpreting within the historical and literary context. The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions.

**Jacob's Seed and David's Delight** Jeremiah Burroughs, 2012-08-05 This work is a twofold treatise. It first concerns Jacob's Seed as an exposition of Isa 65:19 I did not say to the seed of Jacob Seek me in vain. Burroughs shows how prayer is not in vain if it is done by God's people with a right end, though we might not see or gain what we want from prayer immediately. The second treatise is called David's Delight and is an exposition from Psalm 16:3 But to the saints that are in the earth and to the excellent in whom is all my delight. Burroughs teaches that the people of God should be the delight of the Christian since Christ is in her midst. Two powerful works by a master teacher and preacher. This work is not a scan or facsimile, has been carefully transcribed by hand.
