*The Littlest Little Angel* Les C. Newvine, 2016-10-03 The Littlest Little Angel By Les C Newvine Even the smallest unheard voice can be heard The Littlest Little Angel is the smallest of all of the angels in God's kingdom In spite of this he believes he has something to offer All of the angels are to perform one good deed on earth for mankind in order to be called a good angel With the Littlest Little Angel's weaknesses can he ever live up to his greatest potential *How the Little Angel Got Her Wings* June Hasteen, 2019-05-22 Once there was a beautiful little angel who lived in heaven Her name is Gabriella She lived there with a host of other little angels They loved living in heaven as there was so much love from their master *Life in the Fringes* David de Tremaudan, 2011-03-10 What was it like to grow up on the fringes of our modern society Life in the Fringes presents a collection of short stories and poetry that marks the transition from the innocence of childhood to the understanding of adult life It examines the situations a child experiences as life takes its twists and turns Author David de Tremaudan uses autobiographical storytelling that combines old oral traditions with a personal modern perspective Each short story offers tale of de Tremaudan's life described from his unique perspective It explores the personal view of a child maturing towards adulthood and his growing awareness of the values, morals and beliefs that frame his life Evil We look for evil apart from man Someone to personify But the true face of evil With humankind does lie Evil is not an entity That to Satan gives a face But the truth is in the lot of us The total human race We travel the world to seek our fates For our selves and truth we search And in our search we see the ways That evil will besmirch When Rome took the world renown And its legions where conquering all Ask a Roman citizen then If it was wrong to conquer Gaul *The Other Girls* Adeline Dutton Train

Whitney, 1889 **Black Creek Crossing** John Saul, 2004-03-16 The dark history and dire secrets of a peaceful small town are summoned from the shadows of the past Unholy forces are stirred from long slumber to monstrous new life And two young misfits discover the chilling art of turning persecution into retribution With these eerie ingredients bestselling master John Saul once again works his unique brand of sinister magic to conjure an unforgettable tale of unspeakable terror For most of her young life thirteen year old Angel Sullivan has been on the outside looking in enduring the taunts of cruel schoolmates and the angry abuse of a bitter father Then Angel's family moves to the quaint town of Roundtree Massachusetts where a charming home is available a promising job awaits Angel's unemployed father and most of all the chance to make a new start beckons to the shy hopeful teenager But when she is shunned by her new classmates Angel falls deeper into despair Until she meets Seth Baker a fellow outcast and a fateful kinship is forged It's Seth who tells Angel the unspoken truth about the legacy of murder that hangs over her family's home and the whispered rumors that something supernatural still dwells there Uncertain whether the stories are true and desperate to escape the torment of their daily lives Angel and Seth devote themselves to contacting whatever restless soul haunts the dark recesses of Black Creek Crossing But once they have begun there is no turning back Guided by an anguished and vengeful spirit they uncover the shocking events and

centuries old horrors that lay buried beneath the placid veneer of Roundtree And along with the ghastly revelations comes a terrifying power one that feeds upon the rage of the victimized turning the basest impulses and most dangerous desires into devastating weapons Now the closer Angel and Seth are pushed toward the edge by their tormentors the deeper they descend into the maelstrom of dark forces they ve unleashed and the more unspeakable the hour of reckoning will be
