**The Other Side** Kevin McColley,2002-04-05 Raised on a small Ohio farm just across the river from Kentucky Jacob remains largely indifferent to the impending struggle between the North and South His father allows two runaway slaves to be hidden on their land Jacob finds himself drawn to the beautiful Sarah When the local militia discovers the slaves Jacob is forced to watch the militiamen abuse his mother and destroy his home When Jacob can take the abuse no more he kills one of the soldiers and flees for his life crossing to the other side of the river Jacket

**Voices from the Other Side** Harvest moon eyes,2005-08-17 When author Harvest moon eyes decided to spend the winter of 1995 in Seattle Washington it was with the intention of writing a simple love story A series of bizarre events unfolded and instead she found herself spending the winter on the streets with Seattles homeless As Seattles homeless shared their background opinions and political viewpoints Harvest moon eyes began to examine her life prejudices and failures Voices From The Other Side is her journal a spiritual metamorphosis interwoven between unaltered recorded conversations which expose the rawness of the streets and the emotions and thoughts the author tried to keep hidden as well as delivering a timeless compelling message to our politicians

*Other Side of the Edge* Sumina Sharma,2022-01-18 A fictional story of Northwestern Himalayas Small villages A girl her upbringing and culture with a combination of ancient and a bit of modernity Along with tossing and turning experiences Stories composed Around the Corner of Saroi A place where life is imagined as another world exactly just at the end corner of the universe A mixed memoir of personal and paternal life experiences Description of cherished moments encountered in a joint family house called Chowki House While everyone is sitting on the patio in the deep dark snowy and wintery nights having endless gossiping sessions in the open close to a bonfire called angheetha in the local dialect and brazier in today s world Though this narrative is totally fictional the gist is inspired through the experiences of our forefathers and the narration of a particular community of that age that undoubtedly existed around that time Highlighted the myths and misbeliefs that had prevailed over the period carried on from generation to generation Despite some of them being proved as having scientific notions behind them While some had been in practice to keep family and community on the right track into closely knitted societal bonds Otherwise they have no meaning However Other side of the Edge is not just about the pain and pleasure our forefathers generations experienced in the olden days It s about the precious human values shared as a part of society that refused to be ignored Where family gathering was the one

and only source of entertainment for extended families To discuss share their past and present experiences and stand up together to prepare the best for the future of those they care about and want to have around them Where bonding with relatives was meant to show respect without being self centred rather than a gesture of formality From my writing I attempted to pen down those glimpses heard through the mouth of forefathers and some of them sighted in childhood Yet perhaps there might be times I would not have understood precisely what the message meant during those tender years of childhood    *The Other Side of War* Katharine Prescott Wormeley,1889 Letters Wormeley wrote while a hospital volunteer caring for wounded soldiers during the peninsular campaign of the Civil War in 1862    Report of the ... and ...
