goes missing in a seemingly safe lake community and all that's left behind is a posed photo of them taken on the night they disappeared. At first, police try to unravel who had seen them last and ultimately who took the picture. But when another couple disappears a few days later with a similar photo left behind, they soon realize something much more sinister is at play. Someone within the close-knit community is not who they seem. FBI Agent Tara Mills is quickly called in. As she tries to unravel the events leading up to each disappearance, she uncovers that everyone within this seemingly perfect town has their secrets. Tara suspects that whoever is responsible is someone everyone trusts and is lurking right under their noses. She must trust her instincts now more than ever. And with Warren still in the hospital and Tara assigned a new partner, she fears that she's no match for this killer without him. Meanwhile, Tara's wedding day is right around the corner and so is her meeting with her half brother who holds another secret to her past. Tara is eager to meet him in the hopes that it will help her close the door to her past for good. But as she soon learns that she faces her most difficult case yet and as she begins to question her half brother's intentions, she fears that everything will come crashing down right before her wedding. Stephanie Stewart is a typical sixteen-year-old girl who loves hanging out with her friends, going to concerts, and sipping mocha lattes. Yup, just your average teenager. Except for one difference: she can see and talk to the dead. In fact, Stephanie helps dead girls who've been murdered or killed cross over. Just as Stephanie is getting used to her unique gift, her mom stumbles into some dangerous witchcraft that backfires and triggers similar abilities in Stephanie's best friend, Cura, and nemesis, Hillary. Stephanie already has enough trouble trying to maintain a normal life between school and her cute boyfriend, Dylan, who happens to have a supernatural talent all his own. But now she has to help her friend Cura and her frenemy Hillary cope with their new found powers, as well as cross over two murdered cheerleaders and battle an evil demon who wants to use Stephanie's supernatural strengths as a free pass to The Other Side. And she needs to do it all while still getting her term papers in on time. She's definitely going to need an extra large mocha latte for this. **CHRONICLES of + MAGICAL**
