Exposition of the Epistle to the Romans With Remarks on the Commentaries of Macknight Moses Stuart and Tholuck LL Scripture is given by inspiration of God Every page of the sacred volume is stamped with the impress of Deity and contains an inexhaustible treasure of wisdom and knowledge and consolation Some portions of the word of God like some parts of the material creation may be more important than others But all have their proper place all proclaim the character of their glorious Author and all ought to be earnestly and reverentially studied Whatever be their subject whether it relates to the history of individuals or of nations whether it contains the words of precept or exhortation or whether it teaches by example all is profitable for doctrine for reproof for correction for instruction in righteousness But while every part of the word of God demands the most serious attention it is not to be doubted that certain portions of the sacred volume call for more frequent and deeper meditation In the Old Testament the Book of Psalms contains a summary of all Scripture and an abridgment of its most important instructions and sweetest consolations In the New Testament the Epistle to the Romans is entitled to peculiar regard It is the only part of Scripture which contains a detailed and systematic exhibition of the doctrines of Christianity The great truths which are embodied and inculcated in every other part of the Bible are here brought together in a condensed and comprehensive form More especially the glorious doctrine of justification by faith is clearly unfolded and exhibited in the strongest light About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [Commentary on the Epistle to the Romans](#) Charles Hodge,1993 Commentary on the Epistle to the Romans was first published in 1835 and after several editors was
