Hogan, 2005-05-01 Eighteen years have passed since the first manned mission to Earth arrived from Venus With the first colonists already establishing themselves across the bright sunny world of clear blue skies and wonderlands of towering mountains and ice deserts Kyal Reen arrives to join the Venusian scientific and archeological teams that are working to reconstruct the story of the mysterious and enigmatic extinct Terran race that once flourished there Studies of Terran geology scientific works and ancient records show that Earth's early peoples witnessed terrifying cataclysmic cosmic events in skies very different from those seen today In his travels among the Terran ruins Kyal meets a biologist called Lorili who is attempting to explain certain baffling similarities between some Terran and Venusian life forms that are irreconcilable with the established fact that Venus is a far younger planet than Earth Formerly aligned with the Progressive activists back on Venus Lorili admires the qualities of tenacity and determination written through Terran history She constructs a theory of Venusians being descended from Terran ancestors However even allowing for the greatly exaggerated time scales that Terran science assigned to the processes of biological and planetary evolution further research shows that there could have been no overlap The Terrans were extinct long before life emerged on Venus But there is a different unexpected answer to the riddle Lorili and Kyal will have to fight for their theory and their lives At the publisher's request this title is sold without DRM Digital Rights Management *The Alien Sky* Paul Scott, 1967 **Seized by the Alien Space Warrior** Charmaine Ross, Enjoy this steamy science fiction romance series novel by best selling author Charmaine Ross Full blown terror hasn't had a chance to take hold of me not yet at any rate Abducted by aliens Sold like livestock I'm rescued by a muscular demanding alien with charcoal skin and strange nodes on his body that flash with luminescent light He tells me I'm safe with

him but I know I'm not. From the moment I first set eyes on him something indescribable and intense sparks between us. I've never felt anything like this before. Nothing that makes my heart beat faster and my body ache quite like this. He wants to take care of me. Protect me. And then take me to the Sanctuary with the other rescued women and turn his back on me. He tells me that Dhasu only have one bond mate in their life and he has already found his so I cannot be it. Yet I want him. The longer we're stuck on a hostile planet with the very beings that bought me from that stage the harder it will be to let him leave me there. Falling for him doesn't make sense. Maybe I'm losing my mind. Maybe I've already lost it. Maybe we'll die on this horrible planet but if we really are bonded mates. Maybe we'll get more than we bargained for. Seized by the Alien Space Warrior is the first novel in the Dhasu series. Although each novel is dedicated to its own couple it's best to read this series in order. For fans of Ruby Dixon, Presley Hall and Hope Heart this is a HOT romantic story with a guaranteed happily ever after. It includes some strong language, alien alpha males and oh my steamy sexy times. Enjoy

Being a space pirate doesn't make a being rich which was why Rhilax was dealing with the biggest crime lord in the ten quadrants against his better judgment. He doesn't know much about the job on offer but he knows it'll pay for food and supplies for himself and his brothers. Maybe enough to find a nice quiet planet somewhere, forget about a life of smuggling and finally settle down. He's certainly not prepared when a female slave none the likes he'd seen before is led naked, chained and helpless to be his fated mate. He definitely wasn't prepared when he obliterates his dream along with the crime lord's head. kidnaps the female and makes a target of himself and his brothers. The crime lord has a brother and the brother wants them all dead. When their ship is destroyed Rhilax and his brothers are blown into the far reaches of the known universe. To make matters worse the escape pod is wrecked and his fated mate has escaped. Rhilax must find her before the crime lord's thugs or the unknown creatures on this planet and complete the bond before his mind is lost to the mating urge. She can't remember her name. Or her life before the cages. Maybe it's better not knowing. Being trapped in a cage and grieving a beautiful life would be the worst kind of torture. She's good at zoning out but it gets harder and harder to disregard the massive blue skinned alien who tells her he is her fated mate whatever that is. All she knows is if she doesn't get away from him she might never be free again. Protected by the Alien Space Pirate is the first novel in the Rasidian series. Although each novel is dedicated to its own couple it's best to read this series in order.
