The Diary Of A So Called Saved Woman Part 1 Metamorphosis:

The Diary of a So-Called Saved Woman Gabrielle Brown, 2014-12-20 I don't think I'm saved after all I told God that if I ever figured this thing out that I would scream it to the mountain tops Little did I know that this thing does not get figured out I have however gotten certain revelations throughout my life This is a book about growth This is my journey to salvation if I ever get there This is my personal diary poetry that I have kept for years This book is the thoughts that so many of us share Hopefully reading some of my thoughts and beliefs people will come to relate It could help people understand that the thoughts that they are having are not so irrational after all Aren't we all saying to ourselves is this right Is this wrong Am I really saved What is salvation We all want to live this life that is pleasing to God but we struggle with so much of insecurities doubts sins and habitual patterns and we find ourselves either accepting our faults or really hating ourselves It seems like people battle between being themselves or putting on this so called saved facade This book reveals my frustrating walk to so called salvation This reveals my deepest secrets and suspicions I hold nothing back This is a book of uncertain certainties Some things we just do not know and it's okay Some things we question and it's okay God is not mad The intent of this book is to put every reader into their own metamorphosis giving them a better understanding of their salvation This is the book of transformation

Literature? David Damrosch, 2018-06-05 World literature was long defined in North America as an established canon of European masterpieces but an emerging global perspective has challenged both this European focus and the very category of the masterpiece The first book to look broadly at the contemporary scope and purposes of world literature *What Is World Literature* probes the uses and abuses of world literature in a rapidly changing world In case studies ranging from the Sumerians to the Aztecs and from medieval mysticism to postmodern metafiction David Damrosch looks at the ways works change as they move from national to global contexts Presenting world literature not as a canon of texts but as a mode of circulation and of reading Damrosch argues that world literature is work that gains in translation When it is effectively presented a work of world literature moves into an elliptical space created between the source and receiving cultures shaped by both but circumscribed by neither alone Established classics and new discoveries alike participate in this mode of circulation but they can be seriously mishandled in the process From the rediscovered Epic of Gilgamesh in the nineteenth century to Rigoberta Menchú's writing today foreign works have often been distorted by the immediate needs of their own editors and translators Eloquently written argued largely by example and replete with insightful close readings this book is
