*The Diary of a So-Called Saved Woman* Gabrielle Brown,2014-12-20 I don t think I m saved after all I told God that if I ever figured this thing out that I would scream it to the mountain tops Little did I know that this thing does not get figured out I have however gotten certain revelations throughout my life This is a book about growth This is my journey to salvation if I ever get there This is my personal diary poetry that I have kept for years This book is the thoughts that so many of us share Hopefully

reading some of my thoughts and beliefs people will come to relate It could help people understand that the thoughts that they are having are not so irrational after all Aren t we all saying to ourselves is this right Is this wrong Am I really saved What is salvation We all want to live this life that is pleasing to God but we struggle with so much of insecurities doubts sins and habitual patterns and we find ourselves either accepting our faults or really hating ourselves It seems like people battle between being themselves or putting on this so called saved facade This book reveals my frustrating walk to so called salvation This reveals my deepest secrets and suspicions I hold nothing back This is a book of uncertain certainties Some things we just do not know and it s okay Some things we question and it s okay God is not mad The intent of this book is to put every reader into their own metamorphosis giving them a better understanding of their salvation This is the book of transformation

Lbj the Dallas Incident Dr. John Chandler Griffin, 2013-08-01 The Kennedy Incident November 22 2013 will mark the 50th anniversary of the greatest crime ever committed in this great nation the assassination of John F Kennedy the president of the United States Then two days later the man accused of having committed that crime Lee Harvey Oswald was also murdered shot down in the Dallas Police Headquarters by mob thug Jack Ruby The nation was aghast How could such things happen in 20th century America Ah but not to worry President Lyndon Baines Johnson immediately announced the appointment of a blue ribbon committee chaired by none other than the Chief Justice of the Supreme Court Earl Warren to discover just how such murders could have happened in Dallas Texas in 1963 Known as the Warren Commission it was a committee whose judgment could not be questioned But then a year later the WC issued its report known as the Warren Commission Report and almost immediately citizens from one end of the country to the other were yelling questions chard questions that insulted both the WC s judgment and its objectivity As though that were not bad enough A few months later a New York attorney Mark Lane hired by Oswald s mother to vindicate her son published his myth shattering book Rush To Judgment The Warren Commission was blown out of the water But still no satisfactory answers were forthcoming Lyndon Baines Johnson and his political sycophants were very happy to blame Oswald for the entire tragedy Anyone but themselves Then in New Orleans rose a new challenge District Attorney Jim Garrison began his investigation into the murders But again the Federal Government reared its ugly head State governors across the nation were advised to ignore subpoenas to testify in Garrison s trial And in almost every instance those governors obeyed their orders Other essential witnesses simply committed suicide Garrison himself was pilloried and held up to ridicule by the national news media Still he persisted In the end with no witnesses 0 testify Garrison s trial ended in not guilty verdicts Still after 50 years he remains the only person ever to bring anyone to trial for the murders that occurred in Dallas some fifty years ago In this book based on the evidence and testimony associated with the murders of Kennedy and Oswald I have tried to present events as they actually occurred and show who was truly behind them And I do so with no apologies to anyone I will say that my heart goes out to Marina Oswald and her two daughters June Lee and Rachel May God be with them

**Spirit-Filled Protestantism** Luther Jeremiah Oconer,2017-10-12 In Spirit filled Protestantism Luther Oconer shows how holiness and Pentecost themed revival meetings called culto Pentecostal helped form the development of Methodism in the Philippines He focuses on these revival meetings their theological content and the spiritual culture they helped perpetuate The resulting narrative provides a rich rendering of both male and female American Methodist missionaries their Filipino counterparts and their followers that both celebrates and critiques them Oconer also offers a unique perspective on Philippine Protestantism which has often been dismissed for being too intellectual and formal He defies the stereotype by demonstrating how culto Pentecostal revivals with their emphasis on holiness and the baptism of the Holy Spirit made Methodism the most innovative and successful of all Protestant denominations in the country prior to the Second World War Accordingly Oconer s treatment explains why Methodism provided a fertile seedbed for the emergence of the Manila Healing Revival and consequently the rise of Pentecostalism in the Philippines in the 1950s A long awaited volume on the history of Methodism in the Philippines Spirit filled Protestantism allows us to discern why Pentecostal impulses continue to shape Filipino Methodist identity in the twenty first century      Michigan Historical Collections ,1886      *The Cambridge Review*
