The Additional Insured:

UNDERSTANDING NAMED, AUTOMATIC, AND ADDITIONAL INSUREDS IN THE CGL POLICY Dwight M. Kealy, 2014-07-09 Every day thousands of people request and receive proof of someone else's Commercial General Liability CGL insurance. They might be named as a certificate holder or they might be named as an additional insured. They might want to be named as an additional insured for ongoing operations, completed operations or your work. They might request Primary Wording or Non Contributory Wording or a Waiver of Subrogation or a Hold Harmless Agreement. They might say that the insurance company has to have an A.M. Best Rating of at least A VIII and write business in the state on an admitted basis. **WHAT DOES ALL OF THIS MEAN?** If you are requiring or providing additional insured endorsements, you should know what they mean. In this book, attorney and insurance professional Dwight M. Kealy walks the reader through memorable answers to these kinds of questions that are faced everyday by insurance professionals, attorneys, risk managers and any business that regularly deals with insurance requirements.

Manual on Commercial Leasing in Troubled Times, 2009 *The Additional Insured Endorsement* James A. Johnson, 2011 Additional Insured Endorsements differ from each other and reflect a great discrepancy in the breadth of coverage provided to additional insureds A typical construction contract almost always contains a clause providing for the indemnification of the general contractor by the subcontractor for all claims damages or losses arising out of the performance of the subcontractor's operations This article explains who is actually covered in a dispute It is the actual wording or lack of wording in a construction contract that requires the subcontractor to list another organization entity or general contractor together with the language in the additional insured endorsement that is the first step in determining who is actually covered in a dispute

The Handbook on Additional Insureds Michael Menapace, 2012 At its most fundamental nature the purpose of additional insured coverage is to protect the additional insured from claims of vicarious liability that is liability based entirely on the relationship between two insureds as opposed to any active negligence on the part of the additional insured The Handbook on Additional Insureds serves as that resource by addressing all aspects practitioners are faced with when dealing with this complex coverage
