

SIR J. FRANKLIN.

**Sir John Franklin**

**Sherard Osborn**

## **Sir John Franklin:**

*Deadly Winter* Martyn Beardsley, 2002 This is a biography of the British explorer Sir John Franklin. Theories many wild continue to abound on the fate of his final expedition which set out for the Arctic in 1845 full of expectation but was never heard from again. **The Life of Sir John Franklin, R.N.** H D Traill, 2022-08-10 In *The Life of Sir John Franklin* R N H D Traill offers a meticulously researched biography that captures the adventurous spirit and tragic fate of one of Britain's most renowned Arctic explorers. Spanning the most critical junctures of Franklin's life from his early naval career to his ill-fated expedition in search of the Northwest Passage, Traill employs a narrative style that deftly intertwines meticulous historical detail with vivid storytelling. Written during the late 19th century, the text reflects a growing public fascination with exploration and the heroic ideals of Victorian society, all while engaging with themes of ambition, perseverance, and the unknown. H D Traill, a distinguished writer and literary critic, cultivated his interest in exploration through personal experiences with travel and journalism. His background inspired a profound understanding of the human spirit's resilience against nature's formidable challenges. Traill's scholarship showcases both admiration and a critical lens toward the imperialist undertones inherent in narratives of exploration, not shying away from acknowledging Franklin's flaws alongside his achievements. This book is an essential read for history enthusiasts and anyone captivated by the tales of exploration and adventure. Traill's nuanced portrayal offers a balanced perspective that not only honors Franklin's legacy but also encourages readers to contemplate the complex moral landscapes navigated by historical figures in the name of discovery.

*Letter by Sir John Franklin to Captain Washington* Sir John Franklin, 1839 MS Acc22 143 comprises a letter written by Sir John Franklin, Lieutenant Governor of Van Diemen's Land, to Captain Washington dated 15 February 1839. In this letter, Franklin references John Gould, English ornithologist, John Montagu, Colonial Secretary of Van Diemen's Land from 1834 to 1842, and Alexander Maconochie, Private Secretary to Sir John Franklin 1836-1838. John Gould was a significant author and researcher of Australian wildlife and was the first major documenter of Australian birds. In the letter, Franklin notes that Gould's research is of great significance and has left very little research for any other ornithologist to discover. Franklin describes John Montagu in this letter as being a gentleman of considerable talent. At the time of this letter, Franklin had accepted Montagu's leave of absence and requested he be given speaking opportunities during his time in England. Of Alexander Maconochie, he states in the letter that he will be silent on his thoughts on him as he has nothing good to say. Franklin and Maconochie shared opposing views on Australia's colonial penal system. In 1838, a paper was written by Maconochie criticizing the harshness of Tasmania's penal system and which outlined the poor treatment of convicts. The criticism of this work forced Franklin to dismiss Maconochie in 1838. **Life of Sir John Franklin and the North-west Passage** Albert Hastings Markham, 1906 **Fate of Sir John Franklin** Mac Clintock, 1875 **The Career, Last Voyage, and Fate of Captain Sir John Franklin** Sherard Osborn, 1860 **The Search for Sir John Franklin** Sir Allen W. Young, Sir John
