The Hurricane Sisters Dorothea Benton Frank, 2014-06-03 Hurricane season begins early and rumbles all summer long well into September Often people's lives reflect the weather and The Hurricane Sisters is just such a story Once again New York Times bestselling author Dorothea Benton Frank takes us deep into the heart of her magical South Carolina Lowcountry on a tumultuous journey filled with longings disappointments and finally a road toward happiness that is hard earned There we meet three generations of women buried in secrets The determined matriarch Maisie Pringle at eighty is a force to be reckoned with because she will have the final word on everything especially when she's dead wrong Her daughter Liz is caught up in the classic maelstrom of being middle age and in an emotionally demanding career that will eventually open all their eyes to a terrible truth And Liz's beautiful twenty something daughter Ashley whose dreamy ambitions of her unlikely future keeps them all at odds Luckily for Ashley her wonderful older brother Ivy is her fierce champion but he can only do so much from San Francisco where he resides with his partner And Mary Beth her dearest friend tries to have her back but even she can't talk headstrong Ashley out of a relationship with an ambitious politician who seems slightly too old for her Actually Ashley and Mary Beth have yet to launch themselves into solvency Their prospects seem bleak So while they wait for the world to discover them and deliver them from a ramen based existence they placate themselves with a hare brained scheme to make money but one that threatens to land them in huge trouble with the authorities So where is Clayton Liz's husband He seems more distracted than usual Ashley desperately needs her father's love and attention but what kind of a parent can he be to Ashley with one foot in Manhattan and the other one planted in indiscretion And Liz who's an expert in the field of troubled domestic life refuses to acknowledge Ashley's precarious situation Who's in charge of this family The wake up call is about to arrive The Lowcountry has endured its share of war and bloodshed like the rest of the South but this storm season we watch Maisie Liz Ashley and Mary Beth deal with challenges that demand they face the truth about themselves After a terrible confrontation they are forced to rise to forgiveness but can they establish a new order for the future of them all Frank with her hallmark scintillating wit and crisp insight captures how a complex family of disparate characters and their close friends can overcome anything through the power of love and reconciliation This is the often hilarious sometimes sobering but always entertaining story of how these unforgettable women became The Hurricane Sisters

Double Crossed Kenneth Briggs, 2007-12-18 This groundbreaking expos of the mistreatment of nuns by the Catholic Church reveals a history of unfulfilled promises misuse of clerical power and a devastating failure to recognize the singular

contributions of these religious women The Roman Catholic Church in America has lost nearly 100 000 religious sisters in the last forty years a much greater loss than the priesthood While the explanation is partly cultural contemporary women have more choices in work and life Kenneth Briggs contends that the rapid disappearance of convents can be traced directly to the Church s betrayal of the promises of reform made by the Second Vatican Council In Double Crossed Briggs documents the pattern of marginalization and exploitation that has reduced nuns to second even third class citizens within the Catholic Church America s religious sisters were remarkable adventurous women They educated children managed health care of the sick and reached out to the poor and homeless They went to universities and into executive chairs Their efforts and successes however brought little appreciation from the Church which demeaned their roles deprived them of power and placed them under the absolute authority of the all male clergy Replete with quotations from nuns and former nuns Double Crossed uncovers a dark secret at the heart of the Catholic Church Their voices and Briggs s research provide compelling insights into why the number of religious sisters has declined so precipitously in recent decades and why unless reforms are introduced nuns may vanish forever in America *Sisters* Elizabeth Fishel,1985 *Making Waves* Asian Women United of California,1989 A collection of autobiographical writings short stories poetry essays and photos by and about Asian American women **Tantler's Sister** Edward Francis Turner,1881 *Touch of Paradise (Kimani Hotties, Book 65)* Dara Girard,2015-06-01 Island heat **Two Sisters** Nancy Wagner,1993 *Not My Mother's Sister* Astrid Henry,2004-09-07 Rebellious generations and the emergence of new feminisms *Critical Perspectives of Third World America* ,1983
