Six Letter Word For Death:

A Six-Letter Word for Death Patricia Moyes, 1984-01-07 When Henry Tibbett receives an anonymous crossword puzzle in the mail he assumes it is just a prank. But when bored with a slow summer he begins to fill in the empty squares he realizes he may have something deadly on his hands. **Love Is A Four-Letter Word** Claire Calman, 2020-09-24 An endearing novel about navigating the ups and downs of relationships by bestselling author Claire Calman. Sex. Yes. She remembered that. Wasn't that the thing that happened somewhere between the talking and going out to dinner bit and the sobbing and eating too many biscuits bit. Still Bella was sure she could handle some preferably before her as yet unopened packet of condoms reached their expiry date. She must be practically a virgin again by now all sealed over like pierced ears if you don't wear earrings for too long. But the L word. Uh huh. No way. She never wanted to hear it again. There were things in her past which needed to be put well away like the 27 boxes of clutter she'd brought from her old flat. And having changed her job her town her entire life the one thing she wasn't about to change was her mind. Love is a Four Letter Word is an uplifting story with a heroine you'll be rooting for. Perfect for fans of Sophie Kinsella and Katie Fforde. What readers are saying about Love is a Four Letter Word. After I finished I immediately flipped it over and started reading parts of it again. Reader Review. The shock within the book was a complete tearjerker and I thoroughly sympathised. Reader Review. Like all the best comic novelists Calman crams her perky narrative with a host of highly diverting characters to surround her beleaguered heroine. Reader Review. A perfect gem. Reader Review. Made me laugh out loud and cry too. Well written and paced just right. Reader Review. Every character was beautifully layered and I found it believable and surprisingly moving so that the ending felt satisfying and authentic. Claire Calman is a new author for me very talented and I will certainly read more of her work now. Reader Review.
