Skeeter A Cat Tale:

Skeeter Anne L. Watson, 2017-01-17 *Benecia's Mirror* Anne L. Watson, 1900 Susan Jarvin could hardly be more surprised when her elegant musician mother Benecia accepts her invitation to visit Washington's San Juan Island. But more surprises are in store as Benecia shows a new strong interest in Susan's young son and then starts dating his diving instructor, a man more than a decade her junior. It's all a bit much to cope with on top of dealing with an ex-husband that Susan never quite stopped loving. This is Book 3 in Anne L. Watson's Island Women trilogy which includes *Cassie's Castaways*, *Willow's Crystal*, and *Benecia's Mirror*. Anne L. Watson, a retired historic preservation architecture consultant, is the author of several novels plus books on such diverse subjects as soapmaking and baking with cookie molds. Living now in Bellingham, Washington, she lived for many years in Friday Harbor in the San Juan Islands, the home base of her Island Women trilogy.

SAMPLE Our food came then and for a few minutes we busied ourselves with the chowder and accompanying salad. Finally I said, "I got a message from Mom on my machine." Chris stopped with a spoonful of chowder halfway to his mouth. "Oh! What did she say? She's accepting my invitation to visit? Here? Good lord, Suz, how'd you pull that off? She's never come here. You didn't tell me you'd asked her. When's she coming? We haven't worked out the details." I wrote her a note and told her it would be fun to see her. "I've no idea why she took me up on it. Didn't expect she would. Well, congratulations! But we've both invited her before. You have any idea why she's coming this time? Maybe Dad's letter. His stories about her. Maybe. But I doubt she'd bother to come all this way to defend herself against Dad's gossip. She's not that much into what other people think. The dogs bark but the caravans roll on; that's what she liked to say about stupid talk. If it's not that, I have no idea." I said, "Over the next few days I kept wondering. I didn't kid myself that she was coming solely for the pleasure of our company. Mom wasn't a witch-mother, but she was an extremely strange one. She'd been more than adequate as a parent, but she seemed studied as if she were conscientiously following instructions from a couple of how-to books in her room. She hadn't been abusive in any way. I'd simply been sure she didn't love me. Or Chris either, for that matter. As an adult, I came to the conclusion that she didn't have it in her to love anyone. Neither of us was surprised when she showed no interest in Brian's birth or Chris's marriage. I might never have seen her again if I hadn't invited her to the island. I was beginning to wonder why I had. And why she'd accepted. It promised to be a memorable visit."

Cassie's Castaways Anne L. Watson, When Amy Bendbowe receives a call for help from her dying mother, Cassie she rushes from Washington's San Juan Island to Mobile, Alabama, to see her. But Cassie has other ideas. Before letting Amy visit the hospital, she wants her to sell off or give away all the stock from Cassie's secondhand store. Is Cassie trying to keep the distance that has long separated her from her daughter? Or is this her way to help Amy finally understand her? This is Book 1 in Anne L. Watson's Island Women trilogy which includes *Cassie's Castaways*, *Willow's Crystal*, and *Benecia's Mirror*. Anne L. Watson, a retired historic preservation architecture consultant, is the author of several novels plus books on such diverse subjects as soapmaking and baking with cookie molds. Living now in Bellingham, Washington, she

lived for many years in Friday Harbor in the San Juan Islands the home base of her Island Women trilogy SAMPLE Morning light slid across the mountaintops like a wash of pearl How far away were they Twenty miles fifty Drinking coffee in my living room I watched them shine as I did almost every dawn Thinking of nothing but the moment the beautiful moment My phone rang At this hour either a wrong number or something important I checked the caller ID before answering Something important then Hey Dad What s up Hi Honey How s life up there in the islands Dad was a good guy and he loved me But he used casual endearments only when he wanted something a speech habit he wasn t aware of I turned my back on the view sipped my coffee and got my guard up Life is fine How s life way down in Seattle Good Eliane and I went to a gallery opening the other night You should have seen the garbage they were passing off as art We laughed so hard on the way home the cab driver probably thought we were drunk Drunk on having fun in downtown Seattle sounded good to me Eliane was smart witty and a damned good artist Didn t fit the wicked stepmother mold in the least I liked her a lot Say hi to Eliane for me Anyway what s happening It s your mother She s in the hospital From what she says it doesn t look good Can you go out there and help Shouldn t I talk to her first She asked me to call you I don t think she wants to talk about it that much How long does she want me to stay More a matter of how long she has left Oh Does anyone know how long that s likely to be A week a month You know how your mother is Name rank and serial number that s about all the information she parts with That makes it kind of hard to plan things I know Will you go Please I felt cornered But however weird my mother could be she was not one to cry wolf Well I guess I said Replacing the phone in its charger I checked the mountains again but the glow was gone They looked cold and far away

Willow's Crystal Anne L. Watson, 1900 Rai Ireland has built a respectable life for herself as a novice real estate lawyer on Washington s San Juan Island But when her hippie mother Willow comes to stay with her Rai finds herself stretched between the Rachel she calls herself now and the Rainbow her mother thinks her to be Besides it hardly seems fair that Willow adjusts so easily to island life while Rai still navigates the narrow straits of dating on a small island This is Book 2 in Anne L Watson s Island Women trilogy which includes Cassie s Castaways Willow s Crystal and Benecia s Mirror Anne L Watson a retired historic preservation architecture consultant is the author of several novels plus books on such diverse subjects as soapmaking and baking with cookie molds Living now in Bellingham Washington she lived for many years in Friday Harbor in the San Juan Islands the home base of her Island Women trilogy SAMPLE You re in the hospital I shrieked into the phone Don t yell Rainbow Please My head hurts Sorry I got control of my voice Are you okay I m not too okay or I wouldn t be in San Francisco General Sorry Got it What s wrong Well there was this guy begging And And I went to give him something And He turned around and flashed me So You always said flashers were no big deal It wasn t that He looked just like every other guy who cares But I was in a bad mood and I said something that made him mad What for God s sake I said Hey that looks just like a dick only smaller I groaned but couldn t help snorting with laughter at the same time Not a good combination When I was done coughing I said That was not smart Mom Yeah I know He lunged at me Did he hit

Joy Anne L. Watson, 1900 In the Oakland California of 1989 Mirai San Julian is a young woman with a fascinating life and a rich past She restores historic carousels her dream career working from her own studio in a former roller skating rink Though black herself she spent her first years in a Basque immigrant community in Nevada the adopted child of a single mother And after the mother's death she was raised by her Aunt Joy in a Catholic Worker house Mirai has a lot going for her but then why is everything suddenly falling apart Her current year long carousel project is veering crazily out of control in both schedule and budget The guy who dumped her only months before has shown up married and as far as Mirai is concerned to the worst possible person Her mother's death long ago is looking less and less like an accident And Joy the one person who has had her complete trust may know more about that death than she has let Mirai believe Mirai knows how to restore a carousel but can she restore relationships with those she loves Can she strip the old paint of past wrongs to prepare her life for new more vibrant colors And will her eyes be clear enough to spot the brass ring when it finally comes within reach Anne L Watson a retired historic preservation architecture consultant is the author of several novels plus books on such diverse subjects as soapmaking and baking with cookie molds She currently lives in Bellingham Washington with her husband and fellow author Aaron Shepard

SAMPLE Next morning I picked out Will's car parked on the street in front of the coffee shop No room for doubt Will had a real screamer of a car an old red Mustang convertible Not that he described it that way His version started off with 1964 1/2 for the model year and poppy red for the color then veered into details about the color of certain key engine parts at which point I had always zoned out so far I didn't hear the rest of the speech There it sat parked at the curb in Peregrine Falls Idaho already collecting a few admirers Not even counting the vanity plate ORGAN4U the car had so much of Will's personality attached to it I felt mildly nauseated As an alternative to kicking a fender I slammed into the coffee shop Whoa Mirai Remember us The crew had gathered at the only big table in the Clearwater Cafe I'd been so wrapped up in my own problems I hadn't even seen them They were all there Evangeline Harvey Mr Papadakis And Will Neither fight nor flight was practical I sat down at the table The waitress hurried to me with a coffeepot and mug I ordered

the special and sipped my coffee Clearwater was certainly the word for that coffee they must have named the restaurant after it I glanced around the table skipping over Will Mr Papadakis caught my eye What s the agenda he asked We ll go to the park as soon as we re done here Check out the carousel then have lunch with the committee We have to give the owners a preliminary report tomorrow morning Evangeline smiled How long are you staying she asked me All week You ll stay awhile I may want to work on things in place In Evangeline s case awhile could mean several months She had an answering service but no permanent address At the moment I envied her It was Will s turn so I had to look toward him then He sat quietly holding a coffee cup Will had never worn jewelry but now a ring glinted on his finger A plain gold ring on the fourth finger of his left hand A wedding ring
