Excerpt from *Sketches From the Subject and Neighbour Lands of Venice* In 1877 I visited Dalmatia for the second time and Greece for the first I should be well pleased some day to put together some out of many Papers on the more distant Greek lands In this volume I have brought in those on Corfu only as that island forms an essential part of my present subject In the present year 1881 I again visited Dalmatia and some parts of Istria and Albania as also a large part of Italy This has enabled me to add some papers on the Venetian possessions both in northern and southern Italy as also one on the Dalmatian island of Curzola which on former visits I had seen only in passing About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in
