Sista Cansen:

The Love of Stones Tobias Hill,2015-06-02 Burrowing through the goldsmiths quarters and hidden archives of London Tokyo and Istanbul Katharine Sterne is on the trail of a ruby diamond and pearl brooch once worn by Queen Elizabeth I Interwoven with the tale of her hunt is that of a pair of Iraqi Jewish brothers who traveled to London two hundred years earlier with fortunes made from an unearthed jar of priceless stones Spanning two continents and six centuries The Love of Stones follows three very different people each consumed by the same desire possession of the legendary jewel which binds their stories together in an irresistible quest Ordu ATOM,2025-08-08 Ordu is a young man with a storied name and a complicated destiny He must navigate his way through a warren of not always virtuous women villains intent upon maintaining the status quo and the overwhelming needs of a nation long left to rot as its people spiraled into degradation He is very human very naive and very much an honorable son to his mother a doting brother to his sister and a devout servant of his mother goddess He stumbles fumbles and missteps his way through his many trails **The Sister Republics** ,1916
