Pritchard,1996 The public outcry for a return to moral education in our schools has raised more dust than it s dispelled  
Building upon his provocative ideas in On Becoming Responsible Michael Pritchard clears the air with a sensible plan for  
promoting our children s moral education through the teaching of reasonableness Pritchard contends that children have a  
definite but frequently untapped capacity for reasonableness and that schools in a democratic society must make the  
nurturing of that capacity one of their primary aims as fundamental to learning as the development of reading writing and  
math skills Reasonableness itself he shows can be best cultivated through the practice of philosophical inquiry within a  
classroom community In such an environment children learn to work together to listen to one another to build on one another  
s ideas to probe assumptions and different perspectives and ultimately to think for themselves Advocating approaches to  
moral education that avoid mindless indoctrination and timid relativism Pritchard neither preaches nor hides behind  
abstractions He makes liberal use of actual classroom dialogues to illustrate children s remarkable capacity to engage in  
reasonable conversation about moral concepts involving fairness cheating loyalty truthtelling lying making and keeping  
promises obedience character and responsibility He also links such discussions to fundamental concerns over law and moral  
authority the roles of teachers and parents and the relationship between church and state Pritchard draws broadly and  
deeply from the fields of philosophy and psychology as well as from his own extensive personal experience working with  
children and teachers The result is a rich and insightful work that provides real hope for the future of our children and their  
moral education    **Careless Love** Peter Robinson,2019-02-12 His fans include Stephen King Michael Connelly Tess

Edgar Now celebrated New York Times bestselling author Peter Robinson one of the greatest suspense writers of our time  
demonstrates his mastery once again in this powerful mystery in which legendary detective superintendent Alan Banks is  
confronted with a pair of perplexing crimes Two suspicious deaths challenge DS Alan Banks and his crack investigative team  
The body of an attractive young woman dressed in evening attire is found in an abandoned car on a country road The death  
looks like suicide but there are too many open questions for Banks and his team to rule out foul play The car didn t belong to  
her it was badly damaged in an accident involving the vehicle s owner a week earlier in the same spot So how did the dead  
girl get inside the car Did someone place her there and if so why Where and when did she die While Banks attends the  
postmortem DI Annie Cabot is at the scene of another death A well dressed man in his sixties has been found in a gully high  
up on the wild moorland His injuries were fatal and consistent with those sustained in a fall Was it an accident did the man  
get too close to the edge and slip Was he pushed The man was wearing an expensive suit What was he doing in a rocky spot

popular with hikers There are no signs of a vehicle near where he fell How did he get there Banks s and Cabot s cases share a few curious similarities Both of the dead were found in the same area of the moorlands Both were elegantly dressed The timing of their deaths coincided And neither carried identification As the police uncover who these people were and begin to look into their lives inconsistencies multiply and the mysteries surrounding the two cases proliferate Then a source close to Annie reveals a piece of information that rocks the Eastvale detectives working both investigations An old enemy has returned in a new guise a nefarious foe who will stop at nothing not even murder to get what he wants With the stakes raised the hunt is on But will Banks and his crack squad be able to find the evidence to stop him in time     **Annual Report of the State Superintendent of Education of the State of South Carolina** South Carolina.
