## Six Busy Days:

Garden of the Soul Mark Mah, 2014-03-13 The stories of Jesus placed in the context of the familiar and factual are filled with metaphors that audiences can understand and appreciate Metaphors not only inform and persuade but also fire up readers imaginations and get them involved as participants Humans are primed to think and feel metaphorically and so Garden of the Soul aims to metaphorically explore five landscapes that feature prominently in the Bible Each metaphorical landscape throws light on an aspect of spiritual life The bountiful garden speaks of growth the flowing river calls for unceasing prayer the raging sea mirrors the turbulence of a journey of faith the barren desert transforms by emptying life s clutter and the high mountain challenges readers to scale its peak to glimpse a transcendent vision of God This book will inform enrich and challenge readers spiritual lives throughout their journey from garden to mountain *Fifty Years After* Mary Wiley Staver, 1899 **Hopes and Fears** Bromleigh McCleneghan, Lee Hull Moses, 2012-10-22 Bromleigh McCleneghan and Lee Hull Moses have written a book about being not perfect parents in a not perfect world The result Hopes and Fears Everyday Theology for New Parents and Other Tired Anxious People is a joyous celebration of child rearing in which any parent no matter how perfect can share I want to have a happy and healthy marriage and I want to have happy faithful kids proclaims co author McCleneghan in the introduction to the book But I reject the pervasive cultural lie that a happy marriage and the faithful kids are somehow the byproducts of some rigorous and largely unattainable personal or moral perfection Thus Hopes and Fears is neither a how to book nor a mere meditation Rather the authors seek to find the beautiful and the spiritual in the sometimes mundane activities that parents have performed since the beginning of history while at the same time allowing beautiful and spiritual insights of the past to inform and shape the activities of modern parenting Thus the words of a hymn can trigger an idea about how to deal with bedtime and an exercise in baby naming can lead to a better understanding of a passage in Isaiah The intertwining of the spiritual and familial in this book constantly surprises and delights a quote from Paul Tillich can stand next to one from Tina Fey or What to Expect When You re Expecting We are often reminded that the authors two longtime friends are ordinary working mothers Fortunately they are also experienced and well read congregational leaders and they bring that perspective to their reflections Hopes and Fears is also about sharing in the widest and deepest sense of that word As many parents know learning to share is one of the most difficult things for many children to acquire McCleneghan and Moses have decided to teach by example with this book noting we re hopeful that as we share our lives the trials and tribulations and incredible joys other parents will feel inspired to reflect on their own experiences and perhaps even to consider new ways in which their own faith is relevant to their identities as parents Hopes and Fears Everyday Theology for New Parents and Other Tired Anxious People is highly suitable for group study as well as individual reflection *Titan*, 1857 **Optimized Cloud Resource Management and Scheduling** Wenhong Dr. Tian, Yong Dr. Zhao, 2014-10-15 Optimized Cloud Resource Management and Scheduling identifies research
