Ford, Ruhl, Greg, 1983-01-01      **Harper's Young People**, 1884      **Writing the Body in Motion** Angie Abdou, Jamie Dopp, 2018-05-01 Sport literature is never just about sport. The genre's potential to explore the human condition including aspects of violence, gender and the body has sparked the interest of writers, readers and scholars. Over the last decade a proliferation of sport literature courses across the continent is evidence of the sophisticated and evolving body of work developing in this area. *Writing the Body in Motion* offers introductory essays on the most commonly taught Canadian sport literature texts. The contributions sketch the state of current scholarship, highlight recurring themes and patterns and offer close readings of key works. Organized chronologically by source text, ranging from *Shoeless Joe* 1982 to *Indian Horse* 2012, the essays offer a variety of ways to read, consider, teach and write about sport literature.      **Skating**
