C.M. van der Kemp

Sketchbook 1946 1949:

Sketchbook, 1946-1949 Julio Alpuy, 1946 Sketchbook 1946-1949 Max Frisch, 1977 Sketchbooks, 1946-1949 Max Frisch, 2022-05-20 A new translation of one of the earliest volumes of Max Frisch's innovative notebooks Throughout his life the great Swiss playwright and novelist Max Frisch 1911 1991 kept a series of diaries or sketchbooks as they came to be known in English First published in English translation in the 1970s these sketchbooks played a major role in establishing Frisch as according to the New York Times the most innovative varied and hard to categorize of all major contemporary authors His diaries said the Times read like novels and his best novels are written like diaries Now Seagull Books presents the first unabridged English translation of Sketchbooks 1946 1949 in a new translation by Simon Pare This edition reinstates material omitted from the 1977 edition including a screenplay for an unmade film In this first volume which covers the years 1946 to 1949 Frisch chronicles the intellectual and material situation in postwar Europe from the vantage point of a citizen of a neutral German speaking country His notes on travels to the scarred cities of Germany to Austria France Italy Prague Wroclaw and Warsaw paint a complex and stimulating picture of a continent emerging from the rubble as new fault lines are drawn between East and West As Frisch completes his final architectural projects and garners early success as a writer he reflects on theater language and writing and he sketches the outlines of plays including The Fire Raisers and Count derland Whatever experience he chronicles in the sketchbook whether it's a Bastille Day party an Italian fish market or a tightrope display amid the ruins of Frankfurt or an afternoon by Lake Zurich with Bertolt Brecht to take just a few examples his keen dramatist's eye immerses the reader in the setting while also probing the deeper significance and motivations underlying the scene This new translation will serve to draw out the immediacy and contemporary quality of Frisch's observations from the shadow of his status as a classic author bringing his work to life for a new audience **Tagebuch, 1946-1949 .**

Sketchbook, 1946-1949 Max Frisch, 1977 **A Companion to the Works of Max Frisch** Olaf Berwald, 2013 A comprehensive advanced introduction to and scholarly commentary on the work of the Swiss writer Max Frisch one of the leading German language dramatists and novelists of the late twentieth century One of the most influential German language writers of the late twentieth century Max Frisch 1911 1991 not only has canonical status in Europe but has also been well received in the English speaking world English translations of his works are available in multiple recent editions Frisch was a recipient of both the Böckler Award 1958 and the Peace Prize of the German Book Trade 1976 his body of work explores questions of identity alienation and ethics in modern society He is best known for the plays Andorra 1961 a seminal drama that examines indifference and mass psychology in the context of the Shoah and continues to be produced by theaters around the world and Biedermann und die Brandstifter 1958 another worldwide success and one of the most frequently used texts in advanced undergraduate German courses in the United States as well as for his novels Stiller 1954 Homo Faber 1957 and Mein Name sei Gantenbein 1964 Yet Frisch has only recently begun to receive the sustained scholarly attention he deserves

neither a comprehensive introductory volume to nor a collaborative handbook on the works of Frisch is available in English a situation that this volume redresses Contributors R gine Battiston Klaus van den Berg Olaf Berwald Amanda Charitina Boyd C line Letawe Walter Obschlager John D Pizer Beatrice Sandberg Caroline Schaumann Frank Schaumann Walter Schmitz Margit Unser Daniel de Vin Ruth Vogel Klein Paul A Youngman Olaf Berwald is Professor of German and Chair of the Department of Foreign Languages at Kennesaw State University **Encyclopedia of German Literature** Matthias Konzett, 2015-05-11 Designed to provide English readers of German literature the opportunity to familiarize themselves with both the established canon and newly emerging literatures that reflect the concerns of women and ethnic minorities the Encyclopedia of German Literature includes more than 500 entries on writers individual work and topics essential to an understanding of this rich literary tradition Drawing on the expertise of an international group of experts the essays in the encyclopedia reflect developments of the latest scholarship in German literature culture and history and society In addition to the essays author entries include biographies and works lists and works entries provide information about first editions selected critical editions and English language translations All entries conclude with a list of further readings

Reciprocities in the Nonfiction Novel John Russell, 2000 Nonfiction novels have usually been associated with the new journalism writers of the 1960s such as Tom Wolfe Norman Mailer and Truman Capote Yet this form has long commanded a key position in the literary canon as John Russell now reveals Russell identifies eleven major works not usually thought of as nonfiction novels such as Isak Dinesen's Out of Africa and E E Cummings's The Enormous Room to create a new definition of the genre He shows that journalistic writing is characterized by a reporter's proprietary stance which undermines reciprocity with subjects while true nonfiction novels feature greater reciprocity and also employ such techniques as circular narrative and bricolage Reciprocities in the Nonfiction Novel contributes to ongoing explorations of literary forms and offers wise commentary on how writing about real life can become art The Temptation of Despair Werner Sollors, 2014-04-28 In Germany the end of World War II calls forth images of obliterated cities hungry refugees and ghostly monuments to Nazi crimes Drawing on diaries photographs essays reports fiction and film Werner Sollors makes visceral the sorrow and anger guilt and pride despondency and resilience of a defeated people and the paradoxes of occupation **Plays Of Max Frisch** Michael Butler, 2015-12-30 Mr. C. M. van der Kemp's Ontwikkeling van het recht betreffende de kantongerechten C.M. van der Kemp, 1880 **Het Nederlandsche burgerlijke procesrecht** Rembt Tobias Hugo Pieter Liebrecht Alexander van Boneval Faure, 1896 Het Nederlandsch Burgerlijk Regt Diephuis, 1886 **Miniature Monuments** Helmut Puff, 2014-09-23 Miniature Monuments Modeling German History offers a series of essays on small scale models of bombed out cities Created between 1946 and the present these plastic renderings of places provide eerie glimpses of destruction and devastation resulting of the air war This study thus permits fresh angles on post war responses to the compounded losses of WW II and it does so through considering these miniature monuments of among others Frankfurt Munich Schwetzingen

Heilbronn and Hiroshima in a deep cultural history that interlaces the sixteenth eighteenth and twentieth centuries Three dimensional renderings in diminutive size have rarely been subjected to rigorous theoretical reflection Conventionally models whether of ruins or intact spaces have been assumed to be easily legible that is they have been assumed to be vehicles of the authentic Yet rubble and other models should be theorized as complex simulacra of abstract realities and catalysts of memories Miniature Monuments thus tackles a haunting paradox building ruins The book elucidates how utterly contingent processes of crumbling and collapse the English words for the Latin ruina came to command such great interest in modern Europe that tremendous efforts were taken to uncover render and most of all recreate ruins

Het Nederlandsch burgerlijk regt Gerhardus Diephuis,1885 Het Nederlandsch Burgerlijk Recht G. Diephuis,1886 **Bevoegdheid der consulaire ambtenaren tot het opmaken van burgerlijke akten en consulaire regtsmagt** E. Zilcken,1873

Verklaring van het Burgerlijk Wetboek Nicolaas Karel Frederik Land,1889 **Het Nederlandsch burgerlijk regt** Gerardus Diephuis,1885 **Verklaring van het Burgerlijk Wetboek** N.K.F. Land,1894 Belgisch staatsblad Belgium,1960
