Some online services provide ready-to-use online modules, some do that but for a fee, some don't, most just have links. So be on the lookout for online modules connecting resources to what you and your students know. (There are also examples of more elaborate modules.) We'll not include weblogs, although we have links to sites with offerings. If you want a list that includes one, we'll provide that you find the best resources and give us a link to the best online weblogs. The module is [www.ck12.org/Conceptual-Change-Model](http://www.ck12.org/Conceptual-Change-Model), and another is [www.ck12.org/Conceptual-Change-Model](http://www.ck12.org/Conceptual-Change-Model).

Information is given in the report's pages and associated information service using a search table and then sorted in a computer program to produce a list of results of the search before you using the Table Manipulation to Make a Working Connection.
