Do the political interests of artists influence actual political practices in any way? *Legislating Creativity* examines the relationship between art and politics through an analysis of controversial art projects tied to the National Endowment for the Arts during the Culture Wars late 1980s-1990s. Though there have always been tensions in government funding for the arts, these controversies intensified the public debates surrounding art politics and remain as a focal point in conversations that continue today. The book focuses on three case studies: Mapplethorpe's controversial photography, an exhibit on the impact of AIDS entitled *Witnesses*, and the Guerrilla Girls. Dustin Kidd has provided a thoroughly enriching look at the intersections of art and politics, the ways that political practices transform creative expression, and the ways that artistic drives shape political policies.

Excerpt: And yet he said meeting my eyes it never occurred to you that you could leverage this thing into an arrangement that might meet some of your non financial needs. My ears burned. He was toying with me. He had to be. Mr Ashfield walked around the desk resting his hand on the edge as he went his fingers running lightly along the polished wood. He stopped inches from me reaching up to my face and brushing my hair behind my ear with the same gentle touch. I shivered. Mr Ashfield I whispered. I don't. What he smiled. You don't what. You don't think of me that way. That's a lie. Annie Do you want to add that to your considerable list of sins. You're not my priest I said. I could be. He said leaning in close. If you like I cleared my throat. This doesn't change anything you know I know he said. But as long as you've already you've already sent the protocol for boss employee relationships straight to hell in a handbasket we might as well stop dancing around this thing. He was a master manipulator telling me exactly what I wanted to hear. How he'd yearned for me quietly just like I'd yearned for him. Complete and utter bullshit. But I didn't even care. His mouth was very close to my ear now. What can I do to convince you to drop this right here and now. I shook my head. The heat from his body was intoxicating and when he slipped his arm around my waist and pulled me against him my knees almost buckled. What he said. Nothing. There's nothing I can do. *Spanking Her Curves 4 (BBW Erotica Romance)*
