In Search Of Ancient Alaska Evidence To Mysteries Of The Past:

In Search of Ancient Alaska E. Bielawski, 2007 Archaeologist Ellen Bielawski takes us back in time and shows us Alaska before white men arrived She explains how archaeology has given us clues to how the landscape has changed and how those changes shaped the lives of Alaska's first people [The Extraordinary Book of Native American Lists](#) Arlene Hirschfelder, Paulette F. Molin, 2012-03-22 While Native Americans are perhaps the most studied people in our society they too often remain the least understood and visible Fictions and stereotypes predominate obscuring substantive and fascinating facts about Native societies The Extraordinary Book of Native American Lists works to remedy this problem by compiling fun unique and significant facts about Native groups into one volume complete with references to additional online and print resources In this volume readers can learn about Native figures from a diverse range of cultures and professions including award winning athletes authors filmmakers musicians and environmentalists Readers are introduced to Native U S senators Medal of Freedom winners Medal of Honor recipients Major League baseball players and U S Olympians as well as a U S vice president a NASA astronaut a National Book Award recipient and a Pulitzer Prize winner Other categories found in this book are History Stereotypes and Myths Tribal Government Federal Tribal Relations State Tribal Relations Native Lands and Environmental Issues Health Religion Economic Development Military Service and War Education Native Languages Science and Technology Food Visual Arts Literary and Performing Arts Film Music and Dance Print Radio and Television Sports and Games Exhibitions Pageants and Shows Alaska Natives Native Hawaiians Urban Indians Including further fascinating facts this wonderful resource will be a great addition not only to tribal libraries but to public and academic libraries individuals and scholars as well

Ancient Pathways, Ancestral Knowledge Nancy J. Turner, 2014-07-20 Volume 1 The History and Practice of Indigenous Plant Knowledge Volume 2 The Place and Meaning of Plants in Indigenous Cultures and Worldviews Nancy Turner has studied Indigenous peoples knowledge of plants and environments in northwestern North America for over forty years In Ancient Pathways Ancestral Knowledge she integrates her research into a two volume ethnobotanical tour de force Drawing on information shared by Indigenous botanical experts and collaborators the ethnographic and historical record and from linguistics palaeobotany archaeology phytogeography and other fields Turner weaves together a complex understanding of the traditions of use and management of plant resources in this vast region She follows Indigenous inhabitants over time and through space showing how they actively participated in their environments managed and cultivated valued plant resources and maintained key habitats that supported their dynamic cultures for thousands of years as well as how knowledge was passed on from generation to generation and from one community to another To understand the values and perspectives that have guided Indigenous ethnobotanical knowledge and practices Turner looks beyond the details of individual plant species and their uses to determine the overall patterns and processes of their development application and adaptation Volume 1 presents a historical overview of ethnobotanical knowledge in the

region before and after European contact The ways in which Indigenous peoples used and interacted with plants for nutrition technologies and medicine are examined Drawing connections between similarities across languages Turner compares the names of over 250 plant species in more than fifty Indigenous languages and dialects to demonstrate the prominence of certain plants in various cultures and the sharing of goods and ideas between peoples She also examines the effects that introduced species and colonialism had on the region s Indigenous peoples and their ecologies Volume 2 provides a sweeping account of how Indigenous organizational systems developed to facilitate the harvesting use and cultivation of plants to establish economic connections across linguistic and cultural borders and to preserve and manage resources and habitats Turner describes the worldviews and philosophies that emerged from the interactions between peoples and plants and how these understandings are expressed through cultures stories and narratives Finally she explores the ways in which botanical and ecological knowledge can be and are being maintained as living adaptive systems that promote healthy cultures environments and indigenous plant populations Ancient Pathways Ancestral Knowledge both challenges and contributes to existing knowledge of Indigenous peoples land stewardship while preserving information that might otherwise have been lost Providing new and captivating insights into the anthropogenic systems of northwestern North America it will stand as an authoritative reference work and contribute to a fuller understanding of the interactions between cultures and ecological systems

Ufos A. R. Roberts,2016-12-01 UFOs What Is the Government Really Covering Up is not just another book about the 1947 Roswell crash Ingeniously Roberts takes a step back and o ers an in depth survey of the UFO phenomenon as a whole Using familiar case studies of alien encounters as examples he casts a wide net that shows a clear pattern of extraterrestrial visitation and the ensuing cover up by US and world governments In the end the reader cannot help coming away with the same conclusionthat something is going on and our government knows it A must read for those interested in ufology conspiracy theories and ancient aliens Rita Louise PhD author of ET Chronicles What Myth and Legend Say about Human Origin While a seemingly unexplained event in Roswell New Mexico in 1947 exposed the American people to the phenomenon of unidentified flying objectsor UFOsthese mysterious sightings have a history that reaches far back into our collective past Ancient megalithic structures biblical stories and even prehistoric art and cave paintings point to the existence of nonterrestrial lifeand with advanced technology new recordings and the Internet more evidence points to their continued presence today Why then do we the public know so little Why has the media ignored credible reports from eyewitnesses and ufologists And why have world governments suppressed these facts from their citizens The UFO enigma is an extremely complex jigsaw puzzle comprised of many pieces However they t together in a way that presents a cohesive theory when you connect all the dots
