The text review specifically follows the MLO National Test outline as promulgated by NMLS testing officials. This outline sets the standard for content coverage, test section weighting, and essentially what is on the MLO test. Consistent with the promulgated NMLS license examination outline, the main sections of the exam prep cover Federal Mortgage Related Laws, General Mortgage Knowledge, Mortgage Loan Origination Activities, Ethics, Uniform State Content. Following each major section is a chapter end quiz to test your mastery of the subject material. This is further reinforced by explanations in the Answer Key to each chapter quiz. Exam candidates should also note that all content to our exam prep is tersely presented in bullet point lists. We make every effort to present only the essential material that you need to learn the test outline subjects. Finally, our MOLEP challenges candidates to take and pass two 100 item practice tests covering the entire test outline. Again, each practice test comes with an answer key and explanation.
