The Cornovii:

The Cornovii Graham Webster, 1975 **Old Oswestry Hillfort and its Landscape: Ancient Past, Uncertain Future**

Tim Malim, George Nash, 2020-06-25 This book organised into 14 well crafted chapters charts the archaeology folklore heritage and landscape development of one of England's most enigmatic monuments Old Oswestry Hillfort from the Iron Age through its inclusion as part of an early medieval boundary between England and Wales to its role during World War I

Britannia: The Failed State Stuart Laycock, 2012-05-30 Attempts to understand how Roman Britain ends and Anglo Saxon England begins have been undermined by the division of studies into pre Roman Roman and early medieval periods This groundbreaking new study traces the history of British tribes and British tribal rivalries from the pre Roman period through the Roman period and into the post Roman period It shows how tribal conflict was central to the arrival of Roman power in Britain and how tribal identities persisted through the Roman period and were a factor in three great convulsions that struck Britain during the Roman centuries It explores how tribal conflicts may have played a major role in the end of Roman Britain creating a failed state scenario akin in some ways to those seen recently in Bosnia and Iraq and brought about the arrival of the Anglo Saxons Finally it considers how British tribal territories and British tribal conflicts can be understood as the direct predecessors of the Anglo Saxon kingdoms and Anglo Saxon conflicts that form the basis of early English History

Religion in Britain from the Megaliths to Arthur Robin Melrose, 2016-03-11 The Druids and the Arthurian legends are all most of us know about early Britain from the Neolithic to the Iron Age 4500 BC AD 43 Drawing on archaeological discoveries and medieval Welsh texts like the Mabinogion this book explores the religious beliefs of the ancient Britons before the coming of Christianity beginning with the megaliths structures like Stonehenge and the role they played in prehistoric astronomy Topics include the mysterious Beaker people of the Early Bronze Age Iron Age evidence of the Druids the Roman period and the Dark Ages The author discusses the myths of King Arthur and what they tell us about paganism as well as what early churches and monasteries reveal about the enigmatic Druids

Ceawlin Rupert Mathews, 2012-03-19 This provocative study of medieval Britain presents a groundbreaking theory on the collapse of the post Roman order and the formation of England In Ceawlin The Man Who Created England Rupert Matthews draws on newly available evidence including written sources and newly uncovered artifacts to present a radically new narrative of post Roman Britain In place of the anarchy and mayhem that comprise conventional accounts of the period Rupert suggests that Romanized governmental structures managed to survive the fifth century economic collapse These he argues reemerged in a new form in the later sixth century The key figure in these pivotal events was Ceawlin King of Wessex in the 570s It was he who finally smashed the old order with his ambitious power grab His success opened the way to the creation of the England that we know today with its distinctive culture language and character

White, 2025-10-15 Celebrates the 100th publication of the Shropshire Archaeological and Historical Society showcasing new research on the county's history and archaeology Shropshire as one of the contributors to this volume notes is simultaneously remote and well connected which also means it is often but wrongly overlooked and underestimated This volume of collected papers newly commissioned and bringing entirely new research into play was brought together to commemorate the issuing of the 100th volume of the Shropshire Archaeological and Historical Society's Transactions It offers snapshots of Shropshire's past from the earliest prehistory to the end of the twentieth century As befits the Society it offers both archaeological and historic perspectives and demonstrates the importance of the county in the wider context of the United Kingdom While not attempting to be comprehensive in its contents it nonetheless offers insights into how the county came into being and the forces that shaped it not the least of which is its extraordinarily diverse geology The volume offers too a perspective of those historically researching Shropshire's past often women who gained their foothold either through teaching on or participating in adult education This is certainly the first attempt to offer a comprehensive overview of Shropshire in over 50 years and what it seeks to achieve in its scope has not been attempted before The Society's aim is both to showcase the research going on in the county but also to parade its riches there is much more to learn about Shropshire and it is hoped this book will encourage others to take up its challenges and continue to allow the understanding of the county to flourish The contributors to this volume almost all have long standing connections to Shropshire and some are also proud Salopians Most are based in the county and continue their long term research there while one holds a significant role in the protection of Shropshire's heritage The Hand-book to the Roman Wall John Collingwood Bruce, 1895 *The Archaeological Journal*, 1885 **The Lives of the British Saints** Sabine Baring-Gould, John Fisher, 1907 **Empire's Edge** Damion Hunter, 2023-04-20 Loyalty to your people Loyalty to Rome Only one can remain Wonderful distinct characters Conn Iggulden Centurion Faustus Valerianus marched with Julius Agricola on his six year campaign to conquer the north of Britain With Agricola now returned to Rome Faustus is sent to Hibernia with exiled Irish prince Tuathal Techtmar to reclaim his throne to crown a new king But victory is a fleeting thing and back in Caledonia fears grow that the land won so convincingly may soon slip away Both here and across the narrow sea Rome's control and influence are at greater risk than ever before As events cascade towards a climactic devastating battle Faustus must finally come to terms with his heritage resolve his complicated love for a British woman and lay his father's shadow still stalking him from the afterworld to rest once and for all An aching poignant tale of love family and warfare in the age of Rome a must read for fans of Conn Iggulden Manda Scott and Rosemary Sutcliff The
