Oil production capacity expansion costs for the Persian Gulf , The Persian Prince Hamid Dabashi,2023-06-06

With its title borrowed from Machiavelli The Persian Prince goes far beyond Machiavelli s wildest imagination as to how to rule the world Hamid Dabashi articulates a bold new idea of the Persian Prince a metaphor of political authority a figurative ideal deeply rooted in the collective memories of multiple nations and a literary construct that connected Muslim empires across time and space and continues to inform political debate today Drawing on works from Classical Antiquity and the vast Persianate worlds from India to the Mediterranean as well as the Hebrew Bible and European medieval mirrors for princes Dabashi engages a diverse body of political thought to reveal the construction of the Persian Prince as a potent archetype He traces this archetype through its varied historic gestations and finds it resurfacing in postcolonial political thought as a rebel a prophet a poet and a nomad Bringing poetics and politics together Dabashi shows how this archetypal figure has long defined political authority throughout the wider Iranian and Islamic worlds With meticulous attention to literary and poetic texts moral and philosophical treatises allegorical and anecdotal stories sacred and secular evidence visual and performing arts histories of global empires and colonial conquests this sweeping work offers a deeply learned richly erudite and transformative piece of critical thinking As Dabashi shows the Persian Prince remains the stuff of current debate across the Muslim and Persianate worlds in contestations over the public domain and the collective will to power and above all in the prospects of democratic institutions *The Persian Prince and the Han Princess* Jack A. Taylor,2025-03-31 Ardesir ben Nabonidus lives in the shadow of his father an accomplished gladiator indeed the Roman emperor s champion who

accumulated thirty kills to eventually become the undisputed prince of Persia Struggling to find his identity in a world that overlooks him young Ardesir finds himself exiled on a trade mission to the far east fueled by a single mantra that pushes him forward The Way is the way At the palace of the Han emperor Ardesir seems to have nothing but a common gardener for a friend But when he saves the life of the emperor s daughter everything goes topsy turvy His love for the princess soon escalates into an intense conflict with a diabolical general and his man eating leopard who is intent on securing the princess s affections for himself Morgan's British Trade Journal and Export Price Current ,1885
