

**Horace I, 22.**

**Fuscus, whoso to good inclines--  
And is a faultless liver--  
Nor moorish spear nor bow need fear,  
Nor poison-arrowed quiver.**

**Ay, though through desert wastes he roams,  
Or scales the rugged mountains,  
Or rests beside the murmuring tide  
Of weird Hydaspan fountains!**

**Lo, on a time, I gayly paced  
The Sabine confines shady,  
And sung in glee of Lalage,  
My own and dearest lady.**

**And, as I sung, a monster wolf  
Slunk through the thicket from me---  
But for that song, as I strolled along  
He would have overcome me!**

**Set me amid those poison mists  
Which no fair gale dispelleth,  
Or in the plains where silence reigns  
And no thing human dwelleth;**

**Still shall I love my Lalage--  
Still sing her tender graces;  
And, while I sing my theme shall bring  
Heaven to those desert places!**

poems the famous Art of Poetry and others about the tasks and responsibilities of the writer truth to the demands of one s medium fearless clear sighted self knowledge and unillusioned uncynical realism joyfully recognizing the world for what it is

**Horace for English Readers** Horace, 2017-03-14 Excerpt from Horace for English Readers Being a Translation of the Poems of Quintus Horatius Flaccus Into English Prose Venusia was a colony that is it was originally a frontier town an outpost planted in a conquered country where veteran soldiers were settled and a miniature Rome created. It was founded in ac 29x near the end of the last Samnite war. Horace makes in Sat I IO an interesting use of this position of Venusia. He is defending himself for writing Satire and he says that he is as the venusian settlers in Old days set on the border of a lighting stock ready to do battle with any one who assails the territory which he has undertaken to guard. In other words his Satire is one of defence not of defiance. He writes not to wound or injure but to protect the sacred interests of virtue, good sense and patriotism. *Translation of the Poems of Horace Into English Prose* Horace, [Horace Odes 3](#)

Horace, David West, 2002. The aim of this book is to provide a translation and commentary which will help newcomers to Horace whether or not they know Latin to understand how the poetry works. This third book of Odes begins with the Roman odes in praise of Augustus the ruthless politician who had won control over the whole known world. These poems should therefore interest historians as poetic presentations of an ideology and students of literature as the work of a man who found ways of praising while asserting his independence. Part of his strategy is to follow the political odes with an array of poems on love, friendship, country life, religion and on poetry all of them filled with delight in life and a unique sense of humour.

**The**

**Poetry of Friendship** Ross Kilpatrick, 1986. In Ross Kilpatrick's study of the First Book of Horace's Epistles the controlling ethical theme that emerges is friendship. According to Kilpatrick Horace systematically explores and applies with affection, tact, sincerity and a kindly sense of humour the duties of amicitia.

*Horace and the Rhetoric of Authority* Ellen Oliensis, 1998-05-28. This book explores how Horace's poems construct the literary and social authority of their author. Bridging the traditional distinction between persona and author Ellen Oliensis considers Horace's poetry as one dimension of his face, the projected self image that is the basic currency of social interactions. She reads Horace's poems not only as works of art but also as social acts of face saving, face making and self effacement. These acts are responsive, she suggests, to the pressure of several audiences. Horace shapes his poetry to promote his authority and to pay deference to his patrons while taking account of the envy of contemporaries and the judgement of posterity. Drawing on the insights of sociolinguistics

deconstruction and new historicism Dr Oliensis charts the poet's shifting strategies of authority and deference across his entire literary career
