Complete Edition, with Illustrations* James Russell Lowell, 1875 [The Complete Poetical Works of James Russell Lowell](#) James Russell Lowell, 2019-12-02

The Complete Poetical Works of James Russell Lowell is a meticulously curated collection that showcases the breadth and depth of Lowell's poetic output. Renowned for his mastery of language and rich imagery, this anthology encompasses his various forms from sonnets to narrative poems reflecting the Romantic and Transcendentalist movements of the 19th century. Lowell's work is characterized by its moral earnestness and deep engagement with pressing social issues including abolition and democracy, revealing how art can serve as a powerful medium for advocacy. His adept blending of personal experience with broader societal themes offers readers a profound exploration of the human condition. James Russell Lowell was not only a prominent poet but also a critic and a diplomat deeply embedded in the intellectual currents of his time. His educational background at Harvard and his close associations with contemporaries like Emerson and Longfellow deeply influenced his thematic choices and stylistic development. Lowell's personal experiences, notably his struggles with loss and social injustice, informed his commitment to reform and enriched his literary voice, making his work resonate amidst the turbulence of 19th-century America. This comprehensive anthology is highly recommended for readers seeking to understand the evolution of American poetry and the socio-political context of Lowell's time. Students, scholars, and poetry enthusiasts alike will find in this collection a source of inspiration and reflection as it encapsulates the zeitgeist of the era while echoing timeless human concerns.

[The Poetical Works of James Russell Lowell](#) James Russell Lowell, 1887. Contains most of Lowell's poetry at the time of publication; it was a complete edition. Includes *The vision of Sir Launfal*, a fable for critics, and both series of *The Biglow papers*.
