The Poets of the Old Testament Alexander Reid Gordon, 1912 **Dictionary of the Old Testament: Wisdom, Poetry and Writings**

TREMPER LONGMAN III, PETER ENNS, 2020-05-21 The Old Testament books of wisdom and poetry carry themselves differently from those of the Pentateuch the histories or the prophets The divine voice does not peal from Sinai there are no narratives carried along by prophetic interpretation nor are oracles proclaimed by a prophet Here Scripture often speaks in the words of human response to God and God s world The hymns laments and thanksgivings of Israel the dirge of Lamentations the questionings of Qohelet the love poetry of the Song of Songs the bold drama of Job and the proverbial wisdom of Israel all offer their textures to this great body of biblical literature Then too there are the finely crafted stories of Ruth and Esther that narrate the silent providence of God in the course of Israelite and Jewish lives This third Old Testament volume in IVP s celebrated Black Dictionary series offers nearly 150 articles covering all the important aspects of Job Proverbs Ecclesiastes Psalms Song of Songs Lamentations Ruth and Esther Over 90 contributors many of them experts in this literature have contributed to the Dictionary of the Old Testament Wisdom Poetry and Writings This volume maintains the quality of scholarship that students scholars and pastors have come to expect from this series Coverage of each biblical book includes an introduction to the book itself as well as separate articles on their ancient Near Eastern background and their history of interpretation Additional articles amply explore the literary dimensions of Hebrew poetry and prose including acrostic ellipsis inclusio intertextuality parallelism and rhyme And there are well rounded treatments of Israelite wisdom and wisdom literature including wisdom poems sources and theology In addition a wide range of interpretive approaches is canvassed in articles on hermeneutics feminist interpretation form criticism historical criticism rhetorical criticism and social scientific approaches The Dictionary of the Old Testament Wisdom Poetry and Writings is sure to command shelf space within arm s reach of any student teacher or preacher working in this portion of biblical literature

Poetry of the Old Testament (Classic Reprint) Theodore H. Robinson, 2015-07-07 Excerpt from Poetry of the Old Testament The following pages contain the substance of a course of lectures delivered in alternate years at Cardiff over a quarter of a century They are not a transcript of the lectures given in any one year For one thing no written copy exists For another a good deal had to be given

to University students which is quite unnecessary for the general public especially in tracing the scientific study of Hebrew poetic form The book is then a summary of results reached in forty years study of the poetry found in the Old Testament Yet it is very far from being what I would have wished it to be and if I had any hope of improving it I would have postponed publication still further There is one section in particular where I feel the inadequacy of my work and that to many readers the most important of all The truth is that the study of the Psalter had been thrown into the melting pot by the researches and theories of Gunkel and others and it may be many years before the adherents of the fresh view point settle down to a consistent and agreed position In the circumstances I have felt that the best course was merely to summarize roughly Gunkel's classification with some reference to the work done by a few others Any reader who wishes to go further into the matter may consult the books recommended in the Bibliography at the end of this volume About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

An Introduction to Wisdom and Poetry of the Old Testament Donald K. Berry, 1999-01-01 Written for pastors with a relatively elementary knowledge of the Old Testament Includes accounts of how this portion of the Bible has been interpreted throughout history Easily incorporated into individual sermons

The Poems and Hymns of the New Testament Philip Wesley Comfort, 2010-01-01 Yes There are poems and hymns in the New Testament Large sections of Jesus speeches are poetic such as the Beatitudes the Sermon on the Mount and his final discourses in the book of John The Epistles are also enriched with some excellent poems of the early Christians and of Paul and the book of Revelation can boast of some outstanding hymns When one reads the New Testament in the Greek text with an eye for poetry many poetic passages spring to life as well as a few hymns These poems not only inform our minds they stimulate our imaginations and arouse our emotions
