The Poetry Of Vision:

The Poetry of Vision Patricia Meyer Spacks, 1967 The Poetry of Vision Patricia Meyer Spacks, 1995 *The Poetic Eye: Occasional Writings 1982-2012* Michael Sharkey, 2016-11-07 This volume contains a selection of the Australian poet Michael Sharkey's uncollected essays and occasional writings on poetics and poets chiefly Australian and New Zealand. Reviews and conversations with other poets highlight Sharkey's concern with preserving and interrogating cultural memory and his engagement with the practice and championing of poetry. Poets discussed range from Lord Byron to colonial era and early twentieth century poets Francis Adams, David McKee, Wright and Zora Cross, under-represented Australian women poets of World War I, traditionalists and experimentalists including several New Australian Poetry activists of the 1970s and contemporary Australian and New Zealand poets. Writings on poetics address form and tradition, the teaching and reception of poetry and canon formation. The collection is culled from commissioned and occasional contributions to anthologies of practical poetics, journals devoted to literary and cultural history and book reviewing as well as newspaper and small magazine features from the 1980s to the present. The writing reflects Sharkey's poetic practice and pedagogy relating to the teaching of literature, rhetorical analysis, cultural studies and writing in universities, schools and cultural organizations in Australia, New Zealand, China and Germany. It also evidences Sharkey's familiarity with literatures written in English and his wider career in publishing, editing, free lance journalism and the promotion of Australian and New Zealand literature, especially poetry.
