The Point After

Ira Remsen

The Point After:

The Point After Sean Conley, 2020-07-21 A vivid account of life in the NFL and an inspiring story of everything that comes after. Against seemingly impossible odds Sean Conley became the starting kicker for the University of Pittsburgh in his senior year. A year later he suited up for the Detroit Lions. But when he joined the New York Jets soon after Conley's injuries caught up to him and his lifelong dream came crashing down in a crisis of denial and fear. *The Point After* is an all access look at the NFL one of the most intense workplaces in sports. Conley describes pushing through pain at NFL training camps surrounded by rookies All Pro veterans and long shot undrafted free agents all hell bent on staying in the game. He recounts the insecurities he dealt with on and off the field and the despair that overtook him when his career ended. But while Conley thought life was over it was just beginning. Transcending football this is the story of an ex football player who discovered the true meaning of sports and life and found happiness in the most unexpected way. Embodying the spirit of the underdog this is a moving tale of strength determination and spiritual grit.

Purpose After Service Justin Brock, 2024-11-13

Join Marine veteran Justin Brock on his journey from combat boots to boardrooms revealing the secrets to building a fulfilling life and thriving business after military service. *Purpose After Service* is a transformative guide by Marine Corps veteran and successful entrepreneur Justin Brock crafted for veterans looking to thrive beyond military life. This powerful book offers a roadmap for veterans military families and anyone navigating life transitions providing practical strategies to build financial freedom resilience and a sense of purpose in civilian life. Raised in small town Mississippi Justin dreamed of serving his country a path he pursued with unwavering determination. But after years of dedicated military service Justin faced a new mission creating a meaningful successful civilian career. Through real world insights and actionable advice *Purpose After Service* explores his journey from uniformed service to becoming a respected leader and business owner in the insurance industry sharing how he built a multi million dollar business from scratch and created a legacy for his family. This empowering book dives into the unique challenges veterans encounter from adjusting to civilian job roles to finding a renewed sense of purpose in post military life. It provides veterans and military families with essential tools for overcoming obstacles and channeling their skills into new paths whether in entrepreneurship corporate careers or other professional roles. *Purpose After Service* covers critical topics such as financial independence personal growth small business strategies and self discipline with valuable insights into the transition from military to civilian life veteran entrepreneurship and wealth building tactics. Written in a clear inspiring style Justin's book goes beyond theory offering readers a step by step guide to set goals develop a winning mindset and take concrete steps toward success. Veterans will discover how to leverage their military skills like teamwork discipline and resilience to thrive in business and beyond. This book also speaks to anyone interested in career transitions leadership and personal growth making it a versatile addition to any self improvement or business bookshelf. If you're a veteran seeking financial security a new career direction or the confidence to build a business

Purpose After Service is the ultimate guide to unlocking your potential and building a successful fulfilling life after military service Justin Brock's journey from Marine Corps to multi million dollar business success demonstrates that with grit and purpose any challenge can become a stepping stone to a brighter future Perfect for readers interested in Veteran entrepreneurship Military to civilian transitions Building wealth after the military Financial freedom and personal growth Small business strategies for veterans Leadership resilience and purpose

Sensor Signal and Information Processing

II Wai Lok Woo ,Bin Gao,2020-12-29 In the current age of information explosion newly invented technological sensors and software are now tightly integrated with our everyday lives Many sensor processing algorithms have incorporated some forms of computational intelligence as part of their core framework in problem solving These algorithms have the capacity to generalize and discover knowledge for themselves and learn new information whenever unseen data are captured The primary aim of sensor processing is to develop techniques to interpret understand and act on information contained in the data The interest of this book is in developing intelligent signal processing in order to pave the way for smart sensors This involves mathematical advancement of nonlinear signal processing theory and its applications that extend far beyond traditional techniques It bridges the boundary between theory and application developing novel theoretically inspired methodologies targeting both longstanding and emergent signal processing applications The topic ranges from phishing detection to integration of terrestrial laser scanning and from fault diagnosis to bio inspiring filtering The book will appeal to established practitioners along with researchers and students in the emerging field of smart sensors processing
