The Couple Pelican S:

Of God and Pelicans Jay Byrd McDaniel, 1989-01-01 Jay McDaniel's book discusses the understanding of God's relationship to all living things, the foundations and guidelines for a life-centered ethic, the understanding of Christian spirituality and feminism. It is a powerful statement on justice, peace, and respect for the integrity of all creation. **Pelicans and People** K. Manu, 2000 On environmental conservation. *Wrangling Pelicans* Tim Seiter, 2025-11-25 A richly detailed history of daily life for colonial Spanish soldiers surviving on the eighteenth-century Texas Gulf Coast. In 1775 Spanish King Carlos III ordered the capture of American pelicans for his wildlife park in Madrid. The command went to the only Spanish fort on the Texas coast, Presidio Nuestra Señora de Loreto de la Bahía in present-day Goliad. But the overworked soldiers stationed at the fort had little interest in indulging a king an ocean away. Their days were consumed with guarding their community against powerful Indigenous peoples and managing the demands of frontier life. The royal order went ignored. *Wrangling Pelicans* brings to life the world of Presidio La Bahía's Hispano soldiers whose duties ranged from heated warfare to high-stakes diplomacy, while their leisure pursuits included courtship, card playing, and cockfighting. It highlights the lives of presidio women and reveals the ways the Spanish legal system was used by and against the soldiers as they continually negotiated their roles within the empire and their community. Although they were agents of the Spanish crown, soldiers at times defied their king and even their captain as they found ways to assert their autonomy. Offering a fresh perspective on colonial Texas, *Wrangling Pelicans* recreates the complexities of life at the empire's edge where survival mattered more than royal decrees. **Lord of the Pelicans and Other Sermons** Pierre Burns, 2013-09-28 This collection of twelve sermons by Pierre Burns explores the wonder and grandeur of God and His Creation and offers guidance as to how we can honor Him in our relationships with each other and in our daily lives. The Preface by his wife Mary relates ways that God shaped their fifty years together. **The People's Magazine**, 1834. **The Novels and Stories: Pomona's travels. Euphemia among the pelican's.
