The Crystal Curtain:

East-West Symbioses Eugene Eoyang,2019-03-15 This book explores the encounters between East and West studying how they get along These exchanges involve deliberate exoticizations and incommensurabilities as well as creative fusions such as Matteo Ricci a Jesuit monk in the late 16th early 17th centuries who learned Chinese in Beijing well enough to compose works in Chinese and Octavio Paz the Mexican Nobel Laureate who admired Chinese civilization The book also considers the effect of the West on Asian countries the cases of Japan and Turkey who tried to modernize by becoming more Western and the examples of China and Korea who adopted Western forms of theatre to advance a distinctly Asian aesthetic It will appeal to anyone seeking more than a superficial understanding of the encounters between East and West

Doctor Rat William Kotzwinkle,2014-04-01 This World Fantasy Award winner in the vein of Animal Farm delves into a lab worthy of a mad Nazi scientist but run by a brilliantly sadistic rodent In the annals of American literature there has never been a character quite like Doctor Rat PhD From one of the most indispensable storytellers in speculative fiction this biting satire introduces a narrator of learned charm and humor and a twisted logic that is absolutely chilling Doctor Rat is a credit to his species A survivor of the most refined scientific experiments now removed from the maze he has become a valued and productive member of the academic community When he must administer a lethal dose he comforts his fellow rats with his compassionate slogan Death is freedom But everything changes when animals worldwide begin to rebel refusing to accept their proper places in the natural order of things as test subjects pets or food And only Doctor Rat has the courage to defend mankind from the ungrateful animal kingdom Hailed by the Los Angeles Times as dazzlingly original and occasionally quite beautiful Doctor Rat is a sly and stylish indictment of fanaticism in mice and men A truly imaginative impresario Doctor Rat teases your conscience with educated wit and versatile improvisation not to mention the casual flick of the tail about to be cut off Kirkus Reviews
