

The Cuban Revolution

Carlos Franqui

The Cuban Revolution:

The Cuban Revolution Marifeli Pérez-Stable, 2012 This timely and provocative study provides a reexamination of the Cuban revolution and places it firmly in a historical context. Beginning with the inauguration of the republic in 1902 and addressing Castro's triumphant entry into Santiago de Cuba in 1959, The Cuban Revolution highlights the factors that made Cuba susceptible to revolution, including its one-crop sugar economy and U.S. interference in Cuban affairs. While identifying radical nationalism, the defense of national sovereignty, and social justice as legitimate factors behind the revolution, author Marifeli Pérez Stable also provides insight into the problems facing Castro's Cuba. Arguing that the revolution actually ended in 1970, she blames its defeat on the regime's profitable yet doomed dependence on the Soviet Union. She further charges that Cuba's leaders failed to diversify the economy to sustain development or to create democratic institutions. Ideal for advanced undergraduate and graduate courses in Latin American history and politics, The Cuban Revolution, Third Edition, offers students fresh insights into contemporary Cuba. New to this Edition: Revised coverage of radical nationalism that demonstrates how the actions of Cubans themselves—the elites, the popular sectors, and the middle classes made the revolution possible. A more central focus on the tensions between Fidel Castro's leadership, Cuban institutions, and economic policies. New largely unpublished research in Chapters 2 and 3. A new concluding chapter in which the author updates the transition from Fidel to Raúl Castro.

The Cuban Revolution Sam Dolgoff, 1976 Sam Dolgoff analyzes the Cuban Revolution. He presents a historical perspective that arrives at new insights into social and political change. Sam Dolgoff (1902-1990) played an important role in anarchist movements since the early 1920s. He was a member of the Chicago Free Society Group and co-founded the New York Libertarian League.

Inside the Cuban Revolution Julia Sweig, 2009-06-30 Sweig shatters the mythology surrounding the Cuban Revolution in a compelling revisionist history that reconsiders the revolutionary roles of Castro and Guevara and restores to a central position the leadership of the Llano. Granted unprecedented access to the classified records of Castro's 26th of July Movement's underground operatives, the only scholar inside or outside of Cuba allowed access to the complete collection in the Cuban Council of State's Office of Historic Affairs, she details the debates between Castro's mountain-based guerrilla movement and the urban revolutionaries in Havana, Santiago, and other cities.

A History of the Cuban Revolution Aviva Chomsky, 2010-11-23 A History of the Cuban Revolution presents a concise socio-historical account of the Cuban Revolution of 1959, an event that continues to spark debate 50 years later. Balances a comprehensive overview of the political and economic events of the revolution with a look at the revolution's social impact. Provides a lively on-the-ground look at the lives of ordinary people. Features both U.S. and Cuban perspectives to provide a complete and well-rounded look at the revolution and its repercussions. Encourages students to understand history through the viewpoint of individuals living it. Selected as a 2011 Outstanding Academic Title by CHOICE.

Women & the Cuban Revolution Fidel Castro, 1970

Fidel Castro and the Cuban Revolution Carlos Alberto Montaner, 2017-10-24 Perhaps the

foremost social analyst and journalist on Cuban affairs Carlos Alberto Montaner has written a definitive study of the Cuban regime from the vantage point of the Cuban dictator This is not simply a history of Cuban communism but rather a personal history of its leader Fidel Castro Montaner s extraordinary knowledge of the country and its politics prevents the work from becoming a psychiatric examination from afar Indeed what personal irrationalities exist are seen as built into the fabric of the regime itself and not simply as a personality aberration Fidel Castro and the Cuban Revolution is not an apologia for past United States involvement in Cuban affairs The author is severe in his judgments of such participation Nor is he sparing in his sense of the betrayal of the original purposes of the Revolution of 1959 manifested in the character and policies of Fidel Castro As the work progresses from a study of the victims to a study of the beneficiaries of the Cuban Revolution it leaves the reader with a deep sense of the tragedy of a revolution betrayed but not one that could have easily been avoided Montaner is an exile like the great Alexander Herzen before him His decision to live in Europe was made by choice not of necessity He sees his role as critical analyst not as restoring the status quo ante A most valuable aspect of this book is its intimate reevaluation of Fulgencio Batista Whatever the reader s judgment of Montaner s work no one can read it and be dismissive of the effort It is a work of intimacy even though written in exile and hence must be viewed as an important effort to understand the character of the man and regime who have changed the course of Cuban history in our times

The Cuban Revolution and Latin America Boris Goldenberg,2022-02-06 This book first published in 1965 is a scrupulously fair study of the origins and evolution of Castroism and an assessment of the impact of the Cuban revolution and of Castro s subsequent domestic and foreign policies on the rest of Latin America In this analysis it takes into account the great differences social economic and cultural between the countries of the area and looks at the foreign policies of Latin American countries as well as the United States and the role of international Communism

Fidel in the Cuban Socialist Revolution José Bell Lara,Tania Caram León,Delia Luisa López García,2019-12-02 The book makes accessible a selection of speeches and television appearances by Fidel Castro during the first two years of the Cuban Revolution Readers can trace the evolution of this legendary leader s radical political thought and analyze his extraordinary capacity for overcoming adverse political and ideological circumstances in a constant movement towards a socialist ideal The work is organized chronologically with introductory presentations prepared by Cuban experts Jos Bell Tania Caram and Delia Luisa L pez and includes a glossary and bibliography The methodology of this work is original and includes material from 1959 not previously published elsewhere

Revolutionary Cuba Luis Martínez-Fernández,2014-09-16 This is the first book in more than three decades to offer a complete and chronological history of revolutionary Cuba including the years of rebellion that led to the revolution Beginning with Batista s coup in 1952 which catalyzed the rebels and bringing the reader to the present day transformations initiated by Ra l Castro Luis Mart nez Fern ndez provides a balanced interpretive synthesis of the major topics of contemporary Cuban history Expertly weaving the myriad historic social and political forces that shaped the island nation

during this period Martínez Fernández examines the circumstances that allowed the revolution to consolidate in the early 1960s the Soviet influence throughout the latter part of the Cold War and the struggle to survive the catastrophic Special Period of the 1990s after the collapse of the USSR He tackles the island's chronic dependence on sugar production which started with the plantations centuries ago and continues to shape culture and society He analyzes the revolutionary pendulum that continues to swing between idealism and pragmatism focusing on its effects on the everyday lives of the Cuban people and bucking established trends in Cuban scholarship Martínez Fernández systematically integrates the Cuban diaspora into the larger discourse of the revolution Concise well written and accessible this book is an indispensable survey of the history and themes of the socialist revolution that forever changed Cuba and the world

Episodes of the Cuban Revolutionary War, 1956-58

Che Guevara, 1996 A first hand account of the military campaigns and political events that culminated in the January 1959 popular insurrection that overthrew the US backed dictatorship in Cuba With clarity and humor Guevara describes his own political education He explains how the struggle transformed the men and women of the Rebel Army and July 26 Movement led by Fidel Castro And how these combatants forged a political leadership capable of guiding millions of workers and peasants to open the socialist revolution in the Americas Guevara's Episodes appears here complete for the first time in English

The Cuban Revolution as Socialist Human Development Henry Veltmeyer, Mark Rushton, 2011-11-11

The book argues that the Cuban Revolution should be understood as a model of socialist human development Several particular features of this model were critical to the survival of the Cuban Revolution under conditions of neoliberal globalization

The Cuban Revolution Georges A Fauriol, Juan Carlos Weiss, Hugh Thomas Of

Swynnerton, Hugh S. Thomas, 2019-07-11 January 1984 marked the 25th anniversary of Fidel Castro's emergence to power The Cuban Revolution 25 Years Later is a product of the CSIS Cuba Project a long term effort to focus public as well as policymaker's attention on Cuba related affairs The lead author Lord Thomas of Swynnerton is the dean of political historical studies on Cuba and author of the encyclopedic Cuba The Pursuit of Freedom A great deal of myth surrounds the evolution of Cuba since Castro's emergence to power over 25 years ago Some of this myth is the product of official Cuban propaganda some of it is also due to a generally misinformed American public Sifting through available data to distinguish between fact and fiction this book evaluates broadly the impact of Castro's regime on Cuba itself Based on the findings of the CSIS Cuba Project the book draws on the assessments of 18 top Cuban specialists on the political economic cultural and social development of Cuba since 1959 In contrast to democracies such as Costa Rica the equalization of society that has taken place under Castro's leadership has been accomplished by redistributing existing resources not by creating new wealth Moreover the authors conclude that in politics culture and the economy Cuba under Castro has become and remains rigid stagnant enormously militarized and ideologically absolutist

The Origins of the Cuban Revolution Reconsidered Samuel Farber, 2007-09-06 Analyzing the crucial period of the Cuban Revolution from 1959 to 1961 Samuel Farber challenges

dominant scholarly and popular views of the revolution's sources shape and historical trajectory. Unlike many observers who treat Cuba's revolutionary leaders as having merely reacted to U.S. policies or domestic socioeconomic conditions, Farber shows that revolutionary leaders, while acting under serious constraints, were nevertheless autonomous agents pursuing their own independent ideological visions, although not necessarily according to a master plan. Exploring how historical conflicts between U.S. and Cuban interests colored the reactions of both nations' leaders after the overthrow of Fulgencio Batista, Farber argues that the structure of Cuba's economy and politics in the first half of the twentieth century made the island ripe for radical social and economic change, and the ascendant Soviet Union was on hand to provide early assistance. Taking advantage of recently declassified U.S. and Soviet documents as well as biographical and narrative literature from Cuba, Farber focuses on three key years to explain how the Cuban rebellion rapidly evolved from a multiclass antidictatorial movement into a full-fledged social revolution.

Castro and the Cuban Revolution Thomas M. Leonard, 1999-04-30

A guide to the Cuban revolution that analyzes Fidel Castro's efforts to overthrow dictator Fulgencio Batista, discusses the Cuban revolt, its causes and consequences, and examines Castro's efforts to pursue an independent foreign policy.

Diary of the Cuban Revolution

Carlos Franqui, 1980 *A Short History of Revolutionary Cuba* Antoni Kapcia, 2020-12-24 Few island nations have stirred the soul like Cuba. From Hemingway's intoxicating Havana to Ry Cooder's Buena Vista Social Club, outsiders have persistently been fascinated by Cuba for its music, jazz to rumba, its rich literature, its art and dance, danzón to mambo, and perhaps above all for its bold experiment of a socialist revolution in action. Antoni Kapcia shows how the thaw in relations between Cuba and the USA now makes a fresh appraisal of the country and its modern history essential. He authoritatively explores the essence of the Cuban revolution, revealing it to be a maverick phenomenon tied not so much to socialism or Communism for their own sakes but instead to an idealistic vision of postcolonial nationalism. Reassessing the Cuban Missile Crisis of 1962, the author examines the central personalities not just the famous trio of Che Guevara, Fidel and Raúl Castro, in shaping the ideas of the revolution but still further back the visionary ideology of José Martí. Kapcia's book reflects on the future of the revolution as a land his government began to cede power to a new generation.

CUBA: The Disaster of Castro's Revolution

Andrés J. Solares, 2010-05-27 This book analyzes the current situation existing in Cuba and describes in detail the real disaster caused in every aspect of Cuban life by the so-called revolution of Fidel Castro, including how it has affected the different components of Cuban society. The author gives a detailed summary of the main indicators of the Cuban economy and society before 1959, when Fidel Castro took power, indicating how they compared favorably at that time with other countries of the world, including many which are considered part of the developed world in our days. The book demystifies numerous aspects of Castro's propaganda that his followers have considered as great achievements of his government and puts them in perspective in regard to what Cuba could have had nowadays if it had been ruled by democratically elected governments. The book profusely documents the system of corruption and privilege established in the

island and analyzes the obscure role of Castro in a number of important events related to the United States including references to his links with drug trafficking money laundering and the promotion of terrorist activities among other criminal activities One of the aspects the book describes in more detail is the lack of political freedom and the repression of independent thinking and free expression existing in the island which is part of the overall control on everybody's lives established by Castro which is implemented by a gigantic machinery of terror and surveillance The book describes the role of Cuban military and intelligence in numerous important events of world politics during the past five decades including their role in Africa Latin America and other regions of the world and it includes some questioning about the possible role of Castro in the assassination of President John F Kennedy It considers Castro's interpretation of foreign policy and the way he has disregarded all norms of international behavior The book also discusses the case of the enormous debt accumulated by Castro's government and how many of these resources have been deviated to well camouflaged foreign accounts and investments by Castro and some of the top people around him One of the interesting things about this book is the analysis it makes about the situation of youth women and blacks within the present Cuban society and the detailed description about how the people in general live and how this has evolved under Castro's tyranny It also includes an analysis of the exiled Cuban community Andres Solares discusses the real facts behind Castro's long tenure of power and shows the contradictions between what he and his supporters say and the crude reality of what happens in Cuba His book also enters in details about the degrees of decomposition existing at all levels of the political establishment of this obsolete communist regime The book describes the enormous damage caused by Castro's policies to the environment of the island and the state of destruction of all the main networks of services as well as the stagnant conditions of the economy It includes the author's views on the different possible scenarios for Cuban political future once Castro and his brother one way or another are no longer able to control Cuba This book is a strong denouncement of the longest dictatorship that has existed in America and it serves as an eye opener for all those who ignore the crude reality of what happens in that beautiful country It is also a moral message of hope for a better future for the Cuban people Mr Solares has used his professional and personal experience together with his direct knowledge of the Cuban society and economy to give us a very interesting account of the situation in his country which will serve those who read it to comprehend better what we can expect there M-26 Robert Taber,2020-01-30 M 26 A

Biography of the Cuban Revolution first published in 1961 is a reporter's account of the overthrow of the Batista regime and Fidel Castro's successful rise to power Author Robert Taber a correspondent for CBS details the political and economic situation which helped foster the revolution plus chronicles events of the revolution and his experiences while living with the guerrilla fighters in Cuba's mountainous interior M26 the name is from an earlier unsuccessful uprising Movimiento Revolucionario led by Castro in July 1953 is a valuable resource for anyone seeking a well written account of this critical period in Cuba's history **The United States and the Origins of the Cuban Revolution** Jules R. Benjamin,1990 Jules

Benjamin argues convincingly that modern conflicts between Cuba and the United States stem from a long history of U S hegemony and Cuban resistance He shows what difficulties the smaller country encountered because of U S efforts first to make it part of an empire of liberty and later to dominate it by economic methods and he analyzes the kind of misreading of ardent nationalism that continues to plague U S policymaking *Guerrillas in Power* K. S. Karol, 1971

Unveiling the Magic of Words: A Report on "**The Cuban Revolution**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. The Cuban Revolution Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories.

Another reliable platform for downloading The Cuban Revolution free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Cuban Revolution free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Cuban Revolution free PDF files is convenient, its important

to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Cuban Revolution. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Cuban Revolution any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Cuban Revolution Books

1. Where can I buy The Cuban Revolution books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Cuban Revolution book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The Cuban Revolution books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are The Cuban Revolution audiobooks, and where can I find them? Audiobooks: Audio recordings of books,

perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
