Transformation Anthony L Walker,2014-08-13 trans for ma tion tran t s f r ma sh n NOUN A marked change of something or someone usually for the better Nature provides an amazing example of a transformation A butterfly s life begins as an egg that becomes a larva At its appointed time a caterpillar breaks out and then begins to eat and eat and eat Then the caterpillar spins a thread into a shell like covering around its body Inside this cocoon the caterpillar changes into a pupa The pupa grows into a beautiful colorful and graceful butterfly People also go through transformations From conception until death we go through a series of changes Once conceived the life cycle stages begin and progress to produce a newborn baby The baby grows and becomes a toddler which then matures into an adolescent Adulthood follows and the process continues through mid life through to old age This

experience is a natural transformation There is also a spiritual transformation that we all should go through This alteration involves changing on the inside and revealing it on the outside You go through a conversion from living a worldly lifestyle to living a Christian life that is pleasing to God You should desire and seek to achieve this spiritual makeover with all of your might Many will confess to being a Christian but are they really like Christ You can't just name it and claim it You have to live it To be a Christian means to be Christ like you must learn to live like Christ to love like Christ forgive like Christ even bless like Christ etc Some may say that living a Christian life is easier said than done Why is that so I think mainly because we have inherently conformed to this world and this world promotes pretty much everything except Christian living Sadly the vast majority of those who call themselves Christians in these last days are as far from Christ as they can possibly be They think they are living for Jesus with all of their wickedness and false doctrines and evil lifestyles I believe that people want this transformation but are not too willing to take the necessary steps to make this process change This change isn't always easy but it is absolutely obtainable You may ask What is required to live a Christian life The answer is in the Holy Bible Transformation Living a Christian Life can be summed up with one Bible verse And be not conformed to this world but be ye transformed by the renewing of your mind that ye may prove what is that good and acceptable and perfect will of God Rom 12 2 Many have conformed to the ways of the world They need a renewing of their mind They need to get back in alignment with the will of God This book's purpose is to reunite you with God His Word and His will for your life which is good and acceptable and perfect
