The Phantom Hunter, Or, Love After Death Edwin Emerson, 1878 **Autumn Footsteps** Doug Goodman, 2020-12-08

I have spent much of my life in the out of doors following in the autumn footsteps of my father, his father, and those generations that came before them. This work is a collection of my hunting memories and is an attempt to pass on my family traditions along with my beliefs, philosophies, observations, and personal experiences afield to my children, grandchildren, and generation to come as well. It is my hope they too find the joy, peace, and meaning afield that I have tried to pass on to them through this endeavor. Doug
