**The Phantom of the Opera (Classic Reprint)** Gaston Leroux, 2017-10-12 Excerpt from *The Phantom of the Opera* I was immensely interested by this story of the Persian I wanted if there were still time to find this valuable and eccentric witness My luck began to improve and I discovered him in his little at in the Rue de Rivoli where he had lived ever since and where he died five months after my Visit I was at first inclined to be suspicious but when the Persian had told me with child like candor all that he knew about the ghost and had handed me the proofs of the ghost s existence including the strange correspond ence of Christine Daae to do as I pleased with I was no longer able to doubt No the ghost was not a myth I have I know been told that this correspondence may have been forged from first to last by a man whose imagination had certainly been fed on the most seductive tales but fortunately I discovered some of Christine s writing outside the famous bundle of let ters and on a comparison between the two all my doubts were removed I also went into the past history of the Persian and found that he was an up right man incapable of inventing a story that might have defeated the ends of justice About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

acclaimed translator of such Bantam Classics as *Madame Bovary*, *Les Liaisons Dangereuses* and *Candide* **The Phantom of the Opera** Gaston Leroux, 2017-09-02 First published in French as a serial in 1909 *The Phantom of the Opera* is a riveting story that revolves around the young Swedish Christine Daa Her father a famous musician dies and she is raised in the Paris Opera House with his dying promise of a protective angel of music to guide her After a time at the opera house she begins hearing a voice who eventually teaches her how to sing beautifully All goes well until Christine s childhood friend Raoul comes to visit his parents who are patrons of the opera and he sees Christine when she begins successfully singing on the stage The voice who is the deformed murderous ghost of the opera house named Erik however grows violent in his terrible jealousy until Christine suddenly disappears The phantom is in love but it can only spell disaster Leroux s work with characters ranging from the spoiled prima donna Carlotta to the mysterious Persian from Erik s past has been immortalized by memorable adaptations Despite this it remains a remarkable piece of Gothic horror literature in and of itself deeper and darker than any version that follows About Gaston Leroux Gaston Louis Alfred Leroux was a French journalist and author of detective fiction In the English speaking world he is best known for writing the novel *The Phantom of the Opera* *Le Fant me de l Op ra* 1910 which has been made into several film and stage productions of the same name such as the 1925 film starring Lon Chaney and Andrew Lloyd Webber s 1986 musical It was also the basis of the 1990 novel *Phantom* by Susan Kay Leroux went to school in Normandy and studied law in Paris graduating in 1889 He inherited millions of francs and lived wildly until he nearly reached bankruptcy Then in 1890 he began working as a court reporter and theater critic for *L cho de Paris* His most important journalism came when he began working as an international correspondent for the Paris newspaper *Le Matin* In 1905 he was present at and covered the Russian Revolution Another case he was present at involved the investigation and deep coverage of an opera house in Paris later to become a ballet house The basement consisted of a cell that held prisoners in the Paris Commune which were the rulers of Paris through much of the Franco Prussian war Excellent marvelous phantasmagorical ha ha PERFECTION This is a true House of Horrors perhaps the best one ever orchestrated discounting EAPoe Yes EVER The prose is so simple so readable that the barest of essentials are there in all their power and glory the haunted house the victim lover the victimizer lover the clandestine meetings the haunted past the switch over of protagonists the uncertainty caused by an elegant overflow of optical illusions the Victorian conventions all intended to spook the hell out of a reader totally in awe of the way a classic story can be so expertly conveyed Both this and *Dracula* are revolutionary in the uberentertaining way in which the plot is given to us through letters and witness accounts Yes the only way to be frightened is to have the monster in the backdrop a perpetual threat that s under the velvet curtain **The Phantom of the Opera** Gaston Leroux, 2004-06 The story of the Phantom of the Opera a half crazed musician hiding in the labyrinth of the famous Paris Opera House and creating a number of strange and mysterious events to further the career of a beautiful young singer is today regarded as one of the most famous of all horror stories widely mentioned in the same breath

as Frankenstein and Dracula Yet the fame of this novel is based almost entirely on the various film versions while the original book has been largely ignored and is rarely in print
