

The background of the cover features a repeating pattern of stylized leaves. Each leaf is composed of two overlapping semi-circles, one in a teal color and the other in a brown color. These leaves are arranged in a grid-like fashion, with some leaves pointing upwards and others downwards.

The Christian Philosophy of Jacques Maritain

A black and white photograph of Jacques Maritain is positioned on the left side of the cover. He is an older man with white hair, wearing a dark, heavy overcoat and a dark scarf. He is holding a dark hat in his right hand. The photograph is set against the background of the stylized leaf pattern.

Jason L.A. West

The Philosophy Of Jacques Maritain

Jacques Maritain

The Philosophy Of Jacques Maritain:

The Philosophy of Jacques Maritain Charles A. Fecher, 1953 **Notebooks** Jacques Maritain, 1984 Jacques Maritain 18 November 1882 28 April 1973 was a French Catholic philosopher Raised as a Protestant he converted to Catholicism in 1906 An author of more than 60 books he helped to revive St Thomas Aquinas for modern times and is a prominent drafter of the Universal Declaration of Human Rights An Introduction to Philosophy Jacques Maritain, 2005-11-18 Jacques Maritain's *An Introduction to Philosophy* was first published in 1931 Since then this book has stood the test of time as a clear guide to what philosophy is and how to philosophize Inspired by the Thomistic Revival called for by Leo XIII Maritain relies heavily on Aristotle and St Thomas Aquinas to shape a philosophy that far from sectarian theology in disguise is driven by reason and engages the modern world Re released as part of the Sheed Ward Classic series *An Introduction to Philosophy* is sure to enliven the minds of students and general readers for years to come From the new introduction by Ralph McInerny You are about to read a magnificent introduction not only to a kind of philosophy but to philosophizing itself Jacques Maritain was a relatively young man when he wrote this book but his effort is one that attracts any philosopher more and more as he grows older However odd and unusual what he says becomes the philosopher yearns to show how even the most abstruse claims can be put into relation with what the reader already knows That in its essence is what teaching is In this book the reader will find a wise and certain guide into philosophizing as such And in the end he will find that what he reads is really only a refinement and development of what he and everybody else already knew *The Social and Political Philosophy of Jacques Maritain* Jacques Maritain, Joseph William Evans, Leo Richard Ward, 1956 *The Christian Philosophy of Jacques Maritain* Jason L. A. West, 2025-02-28 A study of the Christian philosophy of Jacques Maritain 1882 1973 an influential creative and prolific writer He was widely recognized as one of the most prominent Catholic intellectuals during his own lifetime and was widely seen as a spokesman for the Thomistic revival This study aims to present Maritain's thought as a dynamic and coherent philosophy in its own right This is the only book in English to present Maritain's philosophy on the full range of topics upon which he wrote It focusses on Maritain as a twentieth century philosopher rather than an interpreter of Aquinas Accordingly this book presents Maritain's philosophy in its own context Finally this work is also attentive to the religious context of Maritain's philosophy and highlights his overlooked contributions to theology and other areas of philosophy that are informed by his theological commitments e g mysticism ecclesiology education and philosophy of history Accordingly *The Christian Philosophy of Jacques Maritain* aims at providing the reader with a comprehensive presentation of Maritain's thought and a clear vision of his philosophy as a whole Philosophy of Nature Jacques Maritain, 1951 The Social and Political Philosophy of Jacques Maritain Jacques Maritain, 2003-01-01 Jacques Maritain James V. Schall, 1998 In this book distinguished theologian and political scientist James V Schall explores Maritain's political philosophy demonstrating that Maritain understood society state and government in the tradition of Aristotle and Aquinas of natural law and human rights

and duties Schall pays particular attention to the ways in which evil appears in political forms and how this evil can be dealt with morally

Art and Faith Jacques Maritain, Jean Cocteau, 2014-11-04 The meaning of poetry and the sociological and political significance of art are dealt with in these letters

The Philosophy of Jacques Maritain; 0 Charles A Fecher, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Understanding Maritain Deal Wyatt Hudson, Matthew J. Mancini, 1987

Jacques Maritain Jude P. Dougherty, 2003-04 In Jacques Maritain An Intellectual Profile Jude P Dougherty shares his lifetime interest in and study of Maritain with readers He offers the most complete introduction to Maritain yet to be published highlighting Maritain s many contributions to philosophy

The Education of Man Jacques Maritain, 1962 Teaching is an art the teacher is an artist Jacques Maritain one of today s great teachers discusses the philosophy principles and problems of education After one half century of teaching and evaluating this eminent Thomist presents conclusions that make a lasting contribution to twentieth century thought Dr Maritain is well known for his original and sometimes controversial ideas THE EDUCATION OF MAN is a collection of his philosophical treatment on the theme of education the status of Christian education at the present time and the sort of education the person living in a free society is entitled to receive Maritain s major works on education in this volume range the disciplines from contemporary psychiatry and psychology to the philosophy of Aristotle and St Thomas Aquinas consequently the collection should be an invaluable supplementary text in universities and colleges for the study of the philosophy of education Editors Donald and Idella Gallagher have written a critical introduction that adds much to the book

Jacques Maritain Joseph William Evans, 1963

An Essay on Christian Philosophy Jacques Maritain, 2022-12-06 This important essay by the French Catholic philosopher articulates the foundation for his influential interpretations of Thomas Aquinas Known for his influential writings that brought fresh relevance to the work of Thomas Aquinas Jacques Maritain was one of the most important Catholic philosophers of the twentieth century Although An Essay on Christian Philosophy is not generally considered to be among his major works it is in a sense the key to unlocking his massive synthesis of modern Thomism This provocative essay reveals the inner springs of Maritain s ideas concerning mankind s relationship to God This lucid translation by Edward H Flannery includes a glossary of technical terms making it even more accessible for the general reader

Social and Political Philosophy of Jacques Maritain Jacques Maritain, 1976

Approaches to God

Jacques Maritain, 2015 In this contemporary classic one of the great Catholic philosophers illuminates the methods by which humanity comes to know their God

Man and the State Jacques Maritain, 1998 Of time transcending value this book is probably the most succinct and clearest statement of Thomistic political theory available to the English language reader Written during his exile from war torn Europe Man and the State is the fruit of Maritain's considerable learning as well as his reflections on his positive American experience and on the failure of regimes he closely encountered on the Continent Jude P Dougherty The Catholic University of America The lectures that were the basis for Man and the State were delivered at the University of Chicago at a time when Maritain was still in the first enthusiasm of his participation in the 1948 Universal Declaration of Human Rights He devotes particular attention to the concept of rights since historically rights theories were fashioned to supplant the natural law theory to which Maritain as a Thomist gives his allegiance Maritain provides an ingenious and profound theory as to how natural law and natural rights can be complementary For this reason alone it remains a fundamental contribution to political philosophy but it is filled with other gems as well Was Maritain too optimistic in his appraisal of modernity Or have we unjustly lost the optimism that was his Man and the State is an invitation to rethink the way we pose the basic questions of political philosophy Ralph McInerny Jacques Maritain Center University of Notre Dame

ABOUT THE AUTHOR Jacques Maritain 1882 1973 distinguished French Catholic philosopher and writer was the author of more than fifty books A preeminent interpreter of the thought of Thomas Aquinas Maritain was a professor of philosophy at the Institut Catholique de Paris Columbia University and Princeton University He served as French Ambassador to the Vatican from 1945 to 1948
