*Plays by August Strindberg* August Strindberg, 2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work [The Plays of August Strindberg](#) August Strindberg, 2011 August Strindberg 1849 1912 has been referred to as the father of modern literature in Sweden and has earned the distinction of one of the most important playwrights of the 20th century As an author unafraid of exploring new possibilities in dramatic fiction Strindberg is noted for his psychological realism blatant misogyny symbolism and his utterly fluid and subjective sequences of events His works bore intense scrutiny in their time but have since been recognized for the prodigious influence they exhibited not only in the Naturalist and Expressionist genres but on modern theatre as a whole His catalogue includes over sixty plays and more than thirty works of fiction This collection includes *Comrades Facing Death Pariah or The Outcast Easter The Father Miss Julie The Outlaw The Stronger The Dance of Death A Dream Play and The Ghost Sonata* *Strindberg: The Plays: Volume Two* August Strindberg, 2000 Includes *The Chamber Plays The Storm The Burned Site The Ghost Sonata The Pelican The Black Glove and The Ghost Highway* Gregory Motton s translations combine an unprecedented faithfulness to Strindberg s original texts with the natural fluency of one of our most linguistically able contemporary playwrights **The Social and Religious Plays of Strindberg** John Ward, 1980

*Strindberg on Drama and Theatre* August Strindberg, 2007 De Zweedse August Strindberg 1849 1912 wordt gezien als een van de meest belangrijke toneelschrijvers van rond de eeuwwisseling Zijn choquerende theaterstukken had veel weerklink bij het publiek in die tijd en inspireert tot op de dag van vandaag toneelschrijvers en publiek Strindberg was een onophoudelijke innovator van verschillende theatervormen een bron van inspiratie voor onder meer Eugene O Neill Samuel Beckett en Ingmar Bergman en heeft een vruchtbare bodem gelegd voor het moderne toneel Zijn voorwoord voor *Miss Julie* en zijn inleiding bij *A Dream Play* zijn alom bekend en vaak herdrukt Wat minder bekend is is dat Strindberg veel toneelstukken recenseerde en kritieken schreef over het theater in z n algemeen en zijn toneelstukken in het bijzonder Dit boek bevat de meest belangrijke van zijn kritieken chronologisch weergegeven en geannoteerd waarvan vele voor het eerst in het Engels **The Plays of Strindberg** August Strindberg, 1964 **An International Annotated Bibliography of Strindberg Studies 1870-2005: The plays** Michael Robinson, 2008 This copiously annotated bibliography documents and examines the whole range of commentary on Strindberg s works and activity in many fields besides the plays for which he is internationally best known These include his prose fiction and poetry his work as an historian and natural historian and his relationship to the other arts most notably his painting It is concerned with both lasting works of literary and dramatic criticism as well as reviews of his books and plays in the theatre and some more ephemeral material all of this in several

languages Organised generically and by subject and individual work the bibliography enables the reader to trace the changing impact of Strindberg and his works in various countries and during different periods It is thus very much a study in reception as well as a bibliographical record of published material It traces the developing image of Strindberg and his writing both during his lifetime and in subsequent years and with frequent cross reference offers a comprehensive overview of a literary and existential project that has rarely been matched for its multifaceted diversity The bibliography is published in three parts Volume 1 General Studies 978 0 947623 81 4 and Volume 3 Prose Poetry Miscellaneous 978 0 947623 83 8 are also now available Michael Robinson is Emeritus Professor of Drama and Scandinavian Studies at the University of East Anglia Norwich

Five Plays of Strindberg August Strindberg, 1960 CREDITORS a tragic comedy shows a naturalistic rather ironic view of the corrosive effects of passion CRIME AND CRIME a comedy where Strindberg further develops the Swedenborgian view that crime is its own punishment something of a psychological thriller DANCE OF DEATH a drama in two parts where a Captain returns after fifteen years abroad divorced and robbed of his children The wife is blamed for the disastrous marriage SWANWHITE a fairy play in three acts it is a treasure chest full of the truth that lies in fairy tales and brimful of magic and romance THE GREAT HIGHWAY a wayfaring drama with seven stations is full of symbolism and imagery the higher emotional moods are expressed in unrhymed verse while the scenes in which he satirizes society its institutions and its successful men are written in witty colloquial dialogue

**Plays from the Cynical Life** August Strindberg, 1983 The plays in this volume are one act dramas based on human situations as conceived and interpreted by Strindberg at a time when he was convinced human beings are essentially selfish self centered creatures All of them have been presented successfully in Swedish and other Scandinavian theaters The situations are surely typical people's willingness to claim credit for a fellow human being's success a mother's manipulation of her daughter's life a wife's indifference to her mate except when others obviously want him denigration of a mate for one's own purposes indifference to rationalization of one's sins playing with one's own and others emotions and the unhesitant destruction of a fellow human being at least partly in the name of religion Written toward the end of his pre Inferno period Strindberg labelled these plays one acts out of cynical life En aktare Ur det chniska livet Translations of two other plays The Stronger and The Bond which belong to this group were included in Pre Inferno Plays University of Washington Press 1970 In translating these plays Walter Johnson has presented American versions faithful to the original and expressed in languages as idiomatic and natural as the original Swedish
