Every nation is battling either internally or with each other It started in the Middle East with the surrounding Islamic countries attacking Israel The leader of Iran believing the 12th Imam was returning encouraged all Muslim people around the world to attack the cities of the infidels Believing the 12th Imam had arrived at the mosque of Jamkaran and fulfilling the Islamic prophecy radical Muslims take up arms in every country that is not of the true faith Hundreds of thousands are dead or dying in every major city in America England France Italy Germany Saudi Arabia Jordan and the list goes on Seeing an opportunity North Korea overruns South Korea and China attacks Taiwan seeking reunification It is Sunday July 4 2011 and one man in a small rural area of America writes his journal describing the events as they happen and reflects on how things got to where they are from 2007 to 2013 The author of the journal remembers the elections of 2008 He uncovers deals made by politicians more concerned with winning the election than fighting the war on terror As he sees the world crumbling around him he decides to get involved with something he thought he never would politics As the reader reads the book he must separate fact from fiction Is it 60 40 it is up to the reader to decide Is this the future reality of America or simply fiction This too is the question left to the reader      **Damn Slavers!** Robert James Warner,2006-09

The History of the Sea Lake and River Battles of the Civil War is an expose a denunciation a condemnation of the lies the distortions the deceits the misrepresentations and the slanders of the biased civil war historians the biased movie makers and the biased makers of TV Specials who write distorted books distorted movies and make distorted TV Specials about the civil war For example President Grant is slandered as the butcher of the civil war when the real butcher is the traitor Robert E Lee by an actual count of the men he killed in the battles he fought Another example is the big lie that the Monitor and Merrimac battle was a draw when it was a clear cut victory for the Monitor There are two classes of people in The Damn Slavers The people in the 22 Loyal states and in the 11 traitor states the Loyalists the victims and the people in the 11 traitor states and in the 22 Loyal states the traitors the villains One of the biggest vile lies of the civil war is the depraved lie the traitors won most of the battles The author counted hundreds of the bigger land battles and the sea lake and river battles This battle count is what Damn Slavers is all about Surprise Surprise The Loyalists won most of the bigger land battles of the civil war by a ratio of about 2 to 1 from the start of the civil war and won most of the sea lake and river battles too by an overwhelming margin If you want to learn some real truths about the civil war read Damn Slavers A History of the Sea Lake and River Battles of the Civil War      **The Cumberland Mountain Trilogy, Volume 3 - The Sheriff of Hell's Murder Case** Jack Justin

Turner,2014-12-11 The Sheriff of Hell s Murder Case is the final novel in Dr Jack Justin Turner s highly acclaimed Cumberland Mountain Trilogy With a mangled arm and with his long barreled Luger close at hand Sheriff Jacob Newton Herald must muster all the cunning and courage that saw him through The Great War to survive the sometimes savage place

he calls home Jake as he is known by both friend and foe has been described as a combination of Hamlet and Dirty Harry but in this last volume Jake exhibits a quite different and endearing personality when he makes two of the most important decisions of his life Part murder mystery and part magnificent love story The Sheriff of Hell s Murder Case again demonstrates Dr Turner s powerful and insightful explanation of character and locale in a page turner that is perhaps unparalleled in modern Appalachian fiction Turner obviously knows and loves the setting and its inhabitants and puts the lie to the work of a litany of literary carpetbaggers As one reviewer put it Jack Justin Turner s voice rings so true that one might think the author is actually channeling the spirits of his early twentieth century characters Seldom does a book transport a reader so surely to another place and time Keywords Romance Revenge Action History War Kentucky Herald Fiction Iron Fist Mystery Veteran
