The Poem Of The Mangod:

Poem of the Man-God Maria Valtorta,2016-06-09 On 23 April 1943 Good Friday Maria Valtorta reported hearing the voice of Jesus From then until 1951 she produced over 15 000 handwritten pages in 122 notebooks mostly detailing the life of Jesus as an extension of the gospels Her handwritten notebooks containing close to 700 reputed episodes in the life of Jesus were typed on separate pages by her priest and reassembled given that they had no temporal order and became the basis of her 5 000 page book The Poem of the Man God *Poem of the Man-God Volume 1 (The Gospel As Revealed to Me)* Maria Valtorta,2021-07-29 Written between the years 1944 and 1947 by the visionary Maria Valtorta The Poem of the Man God recently retitled in its original Italian to The Gospel As Revealed to Me is considered one of the greatest works of private revelation to date Penned in the same style as Ven Anne Catherine Emmerich and Ven Mary of Agreda this work brings a level of detail and intimacy not found in the former s writings Although it reads as a novel it is regarded by many as one of the greatest commentaries on Scripture in history expounding upon many areas of the New Testament that has at present remained unexplored or obscure Most strikingly it reveals the personalities of Jesus and His Apostles in awe inspiring detail and leaves the reader with a greater sense of love and closeness to the second Person of the Holy Trinity In point of fact this book moved Mother Teresa so much that she carried with her for spiritual reading and recommended it on numerous occasions to those who asked about it And when the children of Medjugorje asked Mary what She thought of the book She said it was the truth and to read it if a person wants to know Jesus Despite its controversial history with certain Vatican officials in the final analysis the verbal approval by pope Pius XII is more than sufficient for Catholics to read it in good conscience For those who desire to know Jesus Christ in a more intimate and personal way there is little else that compares to this work For a more affordable price please visit the Lulu Bookstore at <https://www.lulu.com/shop> **The Poem of the Man-God** Maria Valtorta,1987 Our Lady's Garden of Roses William Harvey,2019-11-04 Some years ago a priest came to our parish St John of the Cross We were having some prayer service and we were saying the rosary He would say a brief meditation before each Hail Mary bead and then he would say the Hail Mary This lasted a few decades and was the seed that the Lord planted in my mind Little did I know it would come to fruition in this book of meditation on the holy rosary the Holy Spirit was inspiring me to write Unlike the other meditations that were placed before each decade and by the time one has said half of the decade the idea of the meditation was forgotten This on the other hand was constantly being read to keep focused on that particular decade being prayed So how is the story of the rosary being recalled By the keeping in mind each division as it in turn presents itself These divisions being Joyful Illuminous Sorrowful and Glorious By keeping all these in mind we are bringing to mind how all of this happened for our salvation By having the meditation before each Hail Mary the whole picture of that decade is being constantly built up until the decade is completed This tends to keep one s mind on his prayers and not to wander aimlessly Thus the whole story of our redemption is set before the one praying the rosary This all

started with the Redeemer promised in the garden of Eden and whose coming was kept alive all through the Old Testament finally came to our world in the womb of the Virgin thus the Joyful Mysteries It describes his living among us in the little house of Nazareth It does not give all the details of his early life in helping his foster father Joseph in the carpenter shop We wonder if he performed any acts of wonder when he played with his little playmates He comes to focus again when he starts his ministry of our salvation the Illuminous Mysteries He goes to where John is baptizing at the River Jordan Here the blessed Trinity is first exposed to the world and the story goes all through the Mysteries of Light which culminates at the last supper where he offers his life in the form of bread and wine for his people and then lays it down on the cross for all the world to see In the Sorrowful Mysteries we see this was the second chance for the sons of Adam to partake of the fruit from the tree of life and a reminder that Adam and Eve neglected this fruit in the garden of Eden and chose instead to eat the fruit from the tree of evil or death Thus did Jesus go through all the torments of his passion culminating in his death on the tree of the cross for the life of us all Next the Glorious Mysteries tell of our Redeemer s victory over death and to lead his people the Church which is his bride to be with him forever He and his mother Mary preceded us into the kingdom of Heaven to live the life he earned for his body the Church forever This is the story of our salvation It started back in the Old Testament kept alive all through those times until he came to do the will of him who sent him This is the glorious story of our redemption It is placed before us every time we tell our beads That s what telling our beads really means Remember this the next time you pray your rosary Heaven is watching you

Groeschel,2012-12-11 Father Groeschel the highly respected author psychologist spiritual director and leader of renewal in the religious life has written a brief but comprehensive practical guide for all those interested in private revelations the reports of visions and other extraordinary religious phenomena that are so widespread in these times Because of the intense

interest in extraordinary religious experience that ranges from Medjugorje to the New Age Groeschel's book is an urgently needed resource that gives practical norms to everyone on how to evaluate these claims Drawing on spiritual classics and Church documents not readily available he summarizes the Church's perennial wisdom on this topic He also offers an alternative to unusual and extraordinary ways of knowing the things of God which is a normal everyday opportunity open to all called religious experience the action of grace operating in the context of a human life that can become a powerful source of virtue and holiness Father Groeschel skillfully directs the reader to the humbler and safer path which discerns God's presence in prayer Scripture the sacraments and love of neighbor The great example of this path to holiness is St Therese of Lisieux who though having very few extraordinary experiences was filled with a profound awareness of God's presence and said To ecstasy I prefer the monotony of sacrifice **give a poor man god and watch him starve** John Sweet, **That**
