The Poem Of The Mangod Volume 1:

Poem of the Man-God Maria Valtorta, 2016-06-09 On 23 April 1943 Good Friday Maria Valtorta reported hearing the voice of Jesus From then until 1951 she produced over 15 000 handwritten pages in 122 notebooks mostly detailing the life of Jesus as an extension of the gospels Her handwritten notebooks containing close to 700 reputed episodes in the life of Jesus were typed on separate pages by her priest and reassembled given that they had no temporal order and became the basis of her 5 000 page book **The Poem of the Man God** **Poem of the Man-God Volume 1 (The Gospel As Revealed to Me)**

Maria Valtorta, 2021-07-29 Written between the years 1944 and 1947 by the visionary Maria Valtorta The Poem of the Man God recently retitled in its original Italian to The Gospel As Revealed to Me is considered one of the greatest works of private revelation to date Penned in the same style as Ven Anne Catherine Emmerich and Ven Mary of Agreda this work brings a level of detail and intimacy not found in the former s writings Although it reads as a novel it is regarded by many as one of the greatest commentaries on Scripture in history expounding upon many areas of the New Testament that has at present remained unexplored or obscure Most strikingly it reveals the personalities of Jesus and His Apostles in awe inspiring detail and leaves the reader with a greater sense of love and closeness to the second Person of the Holy Trinity In point of fact this book moved Mother Teresa so much that she carried with her for spiritual reading and recommended it on numerous occasions to those who asked about it And when the children of Medjugorje asked Mary what She thought of the book She said it was the truth and to read it if a person wants to know Jesus Despite its controversial history with certain Vatican officials in the final analysis the verbal approval by pope Pius XII is more than sufficient for Catholics to read it in good conscience For those who desire to know Jesus Christ in a more intimate and personal way there is little else that compares to this work For a more affordable price please visit the Lulu Bookstore at <https://www.lulu.com/shop> **The Poems of**

Shelley: Volume One Geoffrey Matthews, Kelvin Everest, 2014-06-11 Percy Bysshe Shelley 1792 1822 was one of the major Romantic poets and wrote what is critically recognised as some of the finest lyric poetry in the English language This is the first volume of the five volume The Poems of Shelley which presents all of Shelley s poems in chronological order and with full annotation Date and circumstances of composition are provided for each poem and all manuscript and printed sources relevant to establishing an authoritative text are freshly examined and assessed Headnotes and footnotes supply the personal literary historical and scientific information necessary to an informed reading of Shelley s varied and allusive verse The present volume includes the Esdaile poems which only entered the public domain in the 1950s printed in chronological order and integrated with the rest of Shelley s early output and Queen Mab the first of Shelley s major poems together with its extensive prose notes The seminal Alastor volume is placed in the detailed context of Shelley s overall poetic development The Scrope Davies notebook only discovered in 1976 furnishes two otherwise unknown sonnets as well as alternative versions of Hymn to Intellectual Beauty and Mont Blanc which significantly influence our understanding of these important

poems This first volume contains new datings and makes numerous corrections to long established errors and misunderstandings in the transmission of Shelley s work Its annotations and headnotes provide new perspectives on Shelley s literary philosophical and political development The volumes of The Poems of Shelley form the most comprehensive edition of Shelley s poetry available to students and scholars

On the Edge of Grace Christine Watkins,2004-08 ON THE EDGE OF GRACE Mystical Stories of True Transformation Sometimes as human beings we find ourselves on the edge of grace At that edge an abyss falls away before us and we are helpless not to tumble into it unless grace reaches out and saves us We do not always know how we arrived at such a precarious point but once there we know we need healing meaning love peace hope and happiness We know that we are seeking something to fulfill us and take away our angst and our sadness What we do not know is that we are seeking God Each true life story in this book reveals a person who has teetered on the edge of grace in seemingly hopeless situations and discovered hope and healing in a loving God The people an atheist a stripper a car thief a woman who had two abortions a sex addict a lonely youth a woman who told God to go to hell a woman who hears the voice of God a priest a man with the hidden stigmata and a homosexual man abandoned by his mother all possess as diverse as they are vital elements in common they have truly found God and they have received help in their journeys of faith through the Blessed Virgin Mary s presence and messages in Medjugorje Each story therefore begins with a message that Mary has given to the world a message which speaks to that person s life and perhaps to our own

revelations the reports of visions and other extraordinary religious phenomena that are so widespread in these times Because of the intense interest in extraordinary religious experience that ranges from Medjugorje to the New Age Groeschel's book is an urgently needed resource that gives practical norms to everyone on how to evaluate these claims Drawing on spiritual classics and Church documents not readily available he summarizes the Church's perennial wisdom on this topic He also offers an alternative to unusual and extraordinary ways of knowing the things of God which is a normal everyday opportunity open to all called religious experience the action of grace operating in the context of a human life that can become a powerful source of virtue and holiness Father Groeschel skillfully directs the reader to the humbler and safer path which discerns God's presence in prayer Scripture the sacraments and love of neighbor The great example of this path to holiness is St Therese of Lisieux who though having very few extraordinary experiences was filled with a profound awareness of God's presence and said To ecstasy I prefer the monotony of sacrifice *Revelation Revisited* Stephen Zehring Surridge,1995 **AB**
