# The Political Philosophy Of Cosmopolitanism

**Gillian Brock, Harry Brighouse**

## **The Political Philosophy Of Cosmopolitanism:**

**The Political Philosophy of Cosmopolitanism** Gillian Brock, Harry Brighouse, 2007     **The Political Philosophy of Cosmopolitanism** Gillian Brock, Harry Brighouse, 2005-07-21 In a period of rapid internationalization of trade and increased labor mobility is it relevant for nations to think about their moral obligations to others Do national boundaries have fundamental moral significance or do we have moral obligations to foreigners that are equal to our obligations to our compatriots The latter position is known as cosmopolitanism and this volume brings together a number of distinguished political philosophers and theorists to explore cosmopolitanism what it consists in and the positive case which can be made for it Their essays provide a comprehensive overview of both the current state of the debate and the alternative visions of cosmopolitanism with which we can move forward and they will interest a wide range of readers in philosophy political theory and law

**Human Rights and Empire**, 2007     **Human Rights and Empire** Costas Douzinas, 2007-03-20 Erudite and timely this book is a key contribution to the renewal of radical theory and politics Douzinas a leading scholar and author in the field of human rights and legal theory considers the most pressing international questions surrounding the legacy and contemporary role of human rights

**Politics and Cosmopolitanism in a Global Age** Sonika Gupta, Sudarsan Padmanabhan, 2017-09-19 This book offers a unique reconceptualization of cosmopolitanism It examines several themes that inform politics in a globalized era including global governance international law citizenship constitutionalism community domesticity territory sovereignty and nationalism The volume explores the specific philosophical and institutional challenges in constructing a cosmopolitan political community beyond the nation state It reorients and decolonizes the boundaries of cosmopolitanism and questions the contemporary discourse to posit inclusive alternatives Presenting rich and diverse perspectives from across the world the volume will interest scholars and students of politics and international relations political theory public policy ethics and philosophy

**Migration, Protest Movements and the Politics of Resistance** Tamara Caraus, Elena Paris, 2018-10-01 Migration and cosmopolitanism are said to be complementary Cosmopolitanism means to be a citizen of the world and migration without impediments should be the natural starting point for a cosmopolitan view However the intensification of migration through an increasing number of refugees and economic migrants has generated anti cosmopolitan stances Using the concept of cosmopolitanism as it emerges from migrant protests like Sans Papiers No One Is Illegal and No Borders an interdisciplinary group of scholars addresses this discrepancy and explores how migrant protest movements elicit a new form of radical cosmopolitanism The combination of basic theoretical concepts and detailed empirical analysis in this book will advance the theoretical debate on the inherent cosmopolitan aspects of migrant activism As such it will be a valuable contribution to students researchers and scholars of political science sociology and philosophy

**Kant's Cosmopolitics** Brown Garrett Wallace Brown, 2019-04-01 Written by a group of international scholars the essays in this collection investigate issues related to the interplay among the state and global governance peace and

human rights enforcement migrant crisis management European federalisation global educational reforms and Kantian based ideas for fostering what some might call a cosmopolitan culture As a result this book advances the field of Kantian cosmopolitanism and how it relates to current debates in political theory philosophy and the study of international relations

*Cosmopolitanism and Its Discontents* Lee Ward, 2021-12-20 Cosmopolitanism is one of the most venerable intellectual traditions in the history of political philosophy From the ancient Greek Diogenes claim to be a citizen of the world through to Kant's Enlightenment vision of a world government and even into our own time the idea of cosmopolitanism has stirred the moral imagination of many throughout history Arguably the Brexit referendum result and the election of Donald Trump in 2016 marked the first major public repudiation of the transnational globalizing cosmopolitan ideals that have arguably dominated politics in the liberal democratic West since the end of the Cold War This volume reconsiders cosmopolitanism and its discontents in the age of Brexit and Trump by bringing together the great thinkers in the history of political philosophy and contemporary reflections on the problems and possibilities of international relations human rights multiculturalism and reigning theories of democracy and the state

**Contemporary Cosmopolitanism** Angela Taraborrelli, 2015 Contemporary Cosmopolitanism is the first much needed introduction to contemporary political cosmopolitanism Although it has its roots in classical philosophy and politics Cosmopolitanism has undergone a major revival in the last forty years stirring far reaching and intense international debates Cosmopolitanism is a way of thought and life which entails an identification of the individual with the whole humankind and implies a moral obligation to promote social and political justice at the global level Contemporary cosmopolitanism reflects a global state that is already in itself highly cosmopolitan and represents an attempt to solve the new problems raised by this situation to reappraise a number of traditional conceptual categories in the light of changes having already occurred or that are still taking place to develop new ones as well as to encourage and guide political institutional reform projects Taraborrelli provides clear descriptions of the three main forms of contemporary cosmopolitanism moral political legal and cultural described through the thought of various figures representative of the more significant approaches Appiah Archibugi Beitz Benhabib Bhabha Held Kaldor Nussbaum Pogge Sousa Santos This book provides a sound and comprehensive basis for the study of cosmopolitanism ideal as a starting point for the discussion of issues of widespread interest such as human rights global justice migration multiculturalism

**Cosmopolitanism versus Non-Cosmopolitanism** Gillian Brock, 2013-07-11 The debate between cosmopolitans and non cosmopolitans flourishes Contributors continue to disagree over at least fourteen core issues analyzed in this work including these questions What is distinctive about a cosmopolitan approach to matters of justice What does the commitment to the ideal of moral equality entail for global justice Does membership in associations especially national ones matter to our duties to one another in the global context Does the global economic order violate the rights of the poor or harm their interests in ways that require reform or redress What is it to be a good world citizen and is this in conflict with

local duties and being a good citizen of a state To what extent are cosmopolitan and special duties reconcilable Do cosmopolitan or non cosmopolitan theories provide a better account of our obligations or a more useful framework for mediating the interests of compatriots and non compatriots This timely volume advances the discussion on many of the questions over which cosmopolitans and non cosmopolitans continue to disagree All the chapters explore new work and contribute to advancing the debate and none has been published previously Together they demonstrate how nuanced and sophisticated some of the debate has become The variety of topics that the debate encompasses suggests that mastering the issues is important to understanding much contemporary moral and political theorizing

### **Cosmopolitan Political**

**Thought** Farah Godrej,2011-10-05 Cosmopolitan Political Thought asks the question of what it might mean for the very practices of political theorizing to be cosmopolitan It suggests that such a vision of political theory is intimately linked to methodological questions about what is commonly called comparative political theory namely the turn beyond ideas and modes of inquiry determined by traditional Western scholarship It is therefore an argument for applying the idea of cosmopolitanism understood in a particular way to the discipline of political theory itself

### *Trump and Political Philosophy*

Marc Benjamin Sable,Angel Jaramillo Torres,2018-04-16 This book seeks to address the relation of political philosophy and Donald Trump as a political phenomenon through the notions of patriotism cosmopolitanism and civic virtue Political philosophers have been prescient in explaining trends that may explain our political misgivings Madison warned during the debates on the Constitution that democracies are vulnerable to factions based on passion for personalities and beliefs various continental thinkers have addressed the problem of nihilism the modern loss of faith in objective standards of truth and morality that in Max Weber s analysis pointed to the importance of charisma in Carl Schmitt s to the idea that politics is essentially rooted in the definition of friends and enemies and in early Heidegger resulted in the emphasis on the enduring significance of local rather than cosmopolitan values The former concerns regarding demagoguery charisma and nihilism will enable an evaluation of Trump as a political character while the latter concerns regarding the status of universal versus local values will enable us to evaluate the content of Trumpism Taken together these essays seek to advance the public conversation about the relationship between the rise of Trump and the ideological forces that seek to justify that rise

*Cosmopolitanism: Educational, Philosophical and Historical Perspectives* Marianna Papastefanou,2016-05-05 This volume discusses perspectives on cosmopolitanism as well as concepts and the work of key figures For example it examines educational philosophical and historical perspectives deals with such issues as citizenship internationalism patriotism globalization hegemony and many other topics It brings together works on Alain Badiou Giorgio Agamben Ernesto Laclau Bruno Latour and Homi Bhabha with works on Whitman Kant Martha Nussbaum Thomas Pogge Onora O Neill and Philippe Van Parijs The book engages in the new dialogue on cosmopolitanism from a variety of outlooks It advances that dialogue and problematizes it through as yet unexplored paths Its chapters respond to the intricacies of current discourses on

cosmopolitanism and related notions and take into account both affirmative and negative stances to cosmopolitanism and its educational significance Overall the book relies on such stances as background material in order to transcend them and offer fresh perspectives on cosmopolitan stakes It makes use of a recent tendency in political philosophical and cultural critical debates that opens a possibility of more nuanced approaches to old isms *Cosmopolitanism and Its Discontents* Lee Ward,2020 Cosmopolitanism is one of the most venerable intellectual traditions in the history of political philosophy From the ancient Greek Diogenes claim to be a citizen of the world through to Kant s Enlightenment vision of a world government and even into our own time the idea of cosmopolitanism has stirred the moral imagination of many throughout history Arguably the Brexit referendum result and the election of Donald Trump in 2016 marked the first major public repudiation of the transnational globalizing cosmopolitan ideals that have arguably dominated politics in the liberal democratic West since the end of the Cold War This volume reconsiders cosmopolitanism and its discontents in the age of Brexit and Trump by bringing together the great thinkers in the history of political philosophy and contemporary reflections on the problems and possibilities of international relations human rights multiculturalism and regnant theories of democracy and the state

*Imperfect Cosmopolis* Georg Cavallar,2011-04-15 In current debates the term cosmopolitanismA often remains quite vague and leads to sweeping generalizations Unlike many recent publications this book looks at the notion from a decidedly historical perspective trying to give depth and texture to the concept **Cosmopolitanism and the Legacies of Dissent** Tamara Caraus,Camil Alexandru Parvu,2014-07-17 The core idea shared by all cosmopolitan views is that all human beings belong to a single community and the ultimate units of moral concern are individual human beings not states or particular forms of human associations Nevertheless the attempts to ground a political theory on overarching universal principles is in contradiction with the plurality of social cultural political religious interpretative standpoints in the contemporary world Is dissent cosmopolitan Is there a legacy of dissent for a theory of cosmopolitanism This book is a comparative historical analysis of dissident thought and practice for contemporary debates on cosmopolitanism Divided into two parts the editors and contributors explore the contribution of paradigmatic dissidents like Gandhi Martin Luther King Havel Sakharov Mandela Liu Xiaobo Aung San Suu Kyi towards a post universalist cosmopolitan theory Part Two examines the inherent cosmopolitanism of the seemingly peripheral dissent of contemporary forms of protests resistance direct action like NO TAV movement and Occupy Wall Street A timely book which allows for a much needed new engagement in contemporary debates of cosmopolitanism we learn how practical resistance to totalizing hegemonic claims is generated and how dissident thinking might contribute to new enriched ways of conceiving the non totalizing foundations of cosmopolitanism An innovative look at what lessons can scholars of cosmopolitanism learn from dissent dissident movements and what the role of dissent in cosmopolitan democracy could be **Another Cosmopolitanism** Seyla Benhabib,2006-11-09 Presents an argument that since the UN Declaration of Human Rights in 1948 we have entered a phase of global civil society which is governed by

cosmopolitan norms of universal justice norms which are difficult for some to accept as legitimate since they are in conflict with democratic ideals Contestatory Cosmopolitanism Tom Bailey,2018-10-11 Contemporary global politics poses urgent challenges from humanitarian migratory and environmental problems to economic religious and military conflicts that strain not only existing political systems and resources but also the frameworks and concepts of political thinking The standard cosmopolitan response is to invoke a sense of global community governed by such principles as human rights or humanitarianism free or fair trade global equality multiculturalism or extra national democracy Yet the contours grounds and implications of such a global community remain notoriously controversial and it risks abstracting precisely from the particular and conflictual character of the challenges which global politics poses The contributions to this collection undertake to develop a more fruitful cosmopolitan response to global political challenges one that roots cosmopolitanism in the particularity and conflict of global politics itself They argue that this contestatory cosmopolitanism must be dialectical agonistic and democratic that is its concepts and principles must be developed immanently and critically out of prevailing normative resources they must reflect and acknowledge their antagonistic roots and they must be the result of participatory and self determining publics In elaborating this alternative the contributions also return to neglected cosmopolitan theorists like Hegel Adorno Arendt Camus Derrida and Mouffe and reconsider mainstream figures such as Kant and Habermas This collection was originally published as a special edition of Critical Horizons

**Cosmopolitanism and International Relations Theory** Richard Beardsworth,2013-04-16 Globalization has been contested in recent times Among the critical perspectives is cosmopolitanism Yet with the exception of normative theory international relations as a field has ignored cosmopolitan thinking This book redresses this gap and develops a dialogue between cosmopolitanism and international relations The dialogue is structured around three debates between non universalist theories of international relations and contemporary cosmopolitan thought The theories chosen are realism post Marxism and postmodernism All three criticize liberalism in the international domain and therefore cosmopolitanism as an offshoot of liberalism In the light of each school's respective critique of universalism the book suggests both the importance and difficulty of the cosmopolitan perspective in the contemporary world Beardsworth emphasizes the need for global leadership at nation state level re embedding of the world economy a cosmopolitan politics of the lesser violence and cosmopolitan political judgement He also suggests research agendas to situate further contemporary cosmopolitanism in international relations theory This book will appeal to all students of political theory and international relations especially those who are seeking more articulation of the main issues between cosmopolitanism and its critics in international relations Toward Kantian Cosmopolitanism Lorena Cebolla Sanahuja,2017-09-07 This book examines the history of cosmopolitanism from its origins in the ancient world up to its use in Kantian political philosophy Taking the idea of common property of the land as a starting point the author makes the original case that attention to this concept is needed to properly understand the notion of cosmopolitan citizenship Offering a

reconstruction of cosmopolitanism from an interdisciplinary point of view Toward Kantian Cosmopolitanism shows how the concept sits at the intersection between philosophical debates legal realities and the origins of the construction of the discipline of international law Essential reading for all researchers and advances students of cosmopolitanism political philosophy and the history of international law it broadens the current understanding of the concept of cosmopolitanism and reflects on cosmopolitan studies from a historical and philosophical point of view

### **The Political Philosophy Of Cosmopolitanism Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Political Philosophy Of Cosmopolitanism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Political Philosophy Of Cosmopolitanism has opened up a world of possibilities. Downloading The Political Philosophy Of Cosmopolitanism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Political Philosophy Of Cosmopolitanism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Political Philosophy Of Cosmopolitanism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Political Philosophy Of Cosmopolitanism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Political Philosophy Of Cosmopolitanism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Political Philosophy Of Cosmopolitanism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About The Political Philosophy Of Cosmopolitanism Books

1. Where can I buy The Political Philosophy Of Cosmopolitanism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Political Philosophy Of Cosmopolitanism book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
