Since the end of the 19th century the relative skillfulness of the U S government's propaganda efforts have largely determined the American public's willingness to support the wars the United States has waged. The job of informing and persuading America to support its war efforts has become increasingly more challenging as media technologies like the Internet and the instant global coverage of television news reach into every American home. *Selling War to America* begins its examination with the U S government's campaign to instigate a war with Spain and ends with a review of the methods the government is using now to encourage support for the War Against Terrorism.    *The True Story of Salem: Book 1-7* Cotton Mather, Increase Mather, Charles Wentworth Upham, M. V. B. Perley, James Thacher, William P. Upham, Samuel Roberts Wells, 2019-12-18 The Salem witch trials were a series of hearings and prosecutions of people accused of witchcraft in colonial Massachusetts between February 1692 and May 1693. More than 200 people were accused, 19 of whom were found guilty and executed by hanging: 14 women and 5 men. One other man, Giles Corey, was crushed to death for refusing to plead and at least five people died in jail. It was the deadliest witch hunt in the history of colonial North America.
