The Crowd Pleasers:

Marriage and the People Pleaser Paul R. Shaffer, 2021-10-07 The term people pleaser has both positive and negative connotations In an ideal world everybody tries to be a people pleaser at least to some degree but people pleasing becomes problematic when it approaches the extremes Marriage and the People Pleaser focuses on three topics related to people pleasing that has gone to an extreme 1 the eight core areas that extreme people pleasers are likely to struggle with 2 the unique dynamic that often occurs within a marriage when at least one partner is an extreme people pleaser and 3 some of the differences between well intended people pleasers and manipulative people pleasers This book is written for both the people pleaser and the partner of the people pleaser addressing both the challenges and their possible solutions *The People Pleaser's Guide to Putting Yourself First* Hollie Azzopardi, 2022-11-29 A crash course in setting boundaries and looking after yourself from podcaster and Mind Body Soul mentor Hollie Azzopardi Are you worn out from prioritising other people's needs over your own Do you always feel tired rather than inspired or uplifted Are you working in a job you dislike or living from a place of fear Are you in toxic relationships you don't know how to shake off Do you care so much about what others think that it's debilitating You deserve to live a vital and purposeful life The People Pleaser's Guide to Putting Yourself First will help you get to the root of who you are what you need and how to live in a way that makes you feel fantastic Funny honest practical and essential for people who usually put others first Jordanna Levin author of Make You Happen [Shakespeare's Werke](#) William Shakespeare, 1882 **The Disease to Please: Curing the People-Pleasing Syndrome** Harriet Braiker, 2002-02-13 What's wrong with being a people pleaser Plenty A fascinating book If you struggle with where when and how to draw the line between your own desires and the demands of others buy this book Kay Redfield Jamison bestselling author of An Unquiet Mind and Night Falls Fast People pleasers are not just nice people who go overboard trying to make everyone happy Those who suffer from the Disease to Please are people who say Yes when they really want to say No For them the uncontrollable need for the elusive approval of others is an addiction Their debilitating fears of anger and confrontation force them to use niceness and people pleasing as self defense camouflage Featured on NBC's Today The Disease to Please explodes the dangerous myth that people pleasing is a benign problem Best selling author and frequent Oprah guest Dr Harriet Braiker offers clear positive practical and easily doable steps toward recovery Begin with a simple but revealing quiz to discover what type of people pleaser you are Then learn how making even small changes to any single portion of the Disease to Please Triangle involving your thoughts feelings and behavior will cause a dramatic positive and long lasting change to the overall syndrome As a recovered peoplepleaser you will finally see that a balanced way of living that takes others into consideration but puts the emphasis first on pleasing yourself and gaining your own approval is the clearest path to health and happiness [Shakespeare's Library](#) John Payne Collier, 1875 **The tragedy of Coriolanus, ed. by E.K.
