## **The Crown Report:**

**Buying the Land, Selling the Land** Richard Boast,2008 Studying Crown Maori land policy and practice in the period 1869-1929 from the establishment of the Native Land Court power until the cessation of large scale Crown purchasing by Gordon Coates this investigation chronicles the bleak and grim tidal wave of Crown purchasing that dominated the Maori people under very difficult circumstances. While recognizing that the government purchasing of Maori land was in its own way driven by genuine if blinkered idealism this work's deep research on land purchasing policy gives renewed insight on the significant politicians of the era such as Sir Donald McLean, John Balance and John McKenzie who were strong advocates of expanded and state controlled land purchasing      **Reports** Great Britain. This book makes a valuable contribution towards filling the gap. The chapters in Part I of the book deal with the cultural influence and economic significance of East and Southeast Asia and the interrelationships between these matters and accounting in Pacific Asia. Part II comprises chapters on accounting in individual countries comprising China, Japan, Korea, Taiwan and Southeast Asia, written by academics who work and research in these countries. In particular the authors focus on the extent of the harmonisation of domestic standards with international accounting standards and on the development of the accounting profession. Part III deals with the problems of and prospects for accounting harmonisation in the region      *Official Report of Debates, House of Commons* Canada. Parliament. House of Commons, 1895      *The Law Reports*, 1899      An Illustrated History of the Treaty of Waitangi Claudia Orange, 2015-12-21 This book builds on Claudia Orange's award winning Treaty of Waitangi using a wonderful range of photographs, maps and paintings to bring the Treaty's history to life. Depictions of key players and moments sit alongside a clear and informative text that helps explain the history of this key document. Two peoples meeting, agreements made and broken, claims and protests all are a part of the story of the Treaty from before its signing to the present day. Never before have the Treaty's varied stories been made so accessible to the general reader
